## Ceremonies At MHS

### 26 Inducted Into National Honor Society

Twenty-six members of the graduating class of 1976 at Murray High School were initiated into National Honor Society, one of the highest honors awarded by the school, in beautiful and impressive ceremonies this morning.

The group includes: Kate Apperson, daughter of Mr. and Mrs. Walter Apperson; Bill Bailey, son of Mr. and Mrs. Paul Bailey; Tammy Curd, daughter of Mr. and Mrs. Fred Curd; Bruce Clayton, son of Dr. and Mrs. James D. Clayton; Cindy and Becky Gould, daughters of Mr. and Mrs. Hugh Gould;

Todd Harrison, son of Mr. and Mrs. Carroll F. Harrison; Mark Homra, son of Dr. and Mrs. Charles Homra; Gary Hainsworth, son of Dr. and Mrs. Jerome Hainsworth; Brenda Hough, daughter of Mr. and Mrs. A. L. Hough; Lisa Jones, daughter of Mr. and Mrs. Alvis Jones;

Tarpley Jones, son of Mr. and Mrs. Marshall Jones; Donna Heathcott, daughter of Mr. and Mrs. Eldon Heathcott; Sally Matarazzo, daughter of Dr. and Mrs. Sal Matarazzo; Jim Pinkston, son of Mrs. Lee Pinkston and Dr. Bill Pinkston; Tommy Pasco, son of Mr. and Mrs. John Pasco; Linda Ransom, daughter

of Mr. and Mrs. Jim Ransom; Sarah Ross, daughter of Mrs. Lucille Ross and Mason Ross;

Lisa Winters, daughter of Dr. and Mrs. Ken Winters; Bill Boston, son of Mr. and Mrs. Fil Boston; Debbie Cunningham, daughter of Dr. and Mrs. Mark Cunningham; Marla Daniels, daughter of Dr. and Mrs. R. E. Daniels; David Frank, son of Dr. and Mrs. Jim Frank; Debbie Emerson, daughter of Mr. and Mrs. Joe Emerson; Sharon Steele, daughter of Mrs. Ophie Steele; and Sue Windrun, daughter of Mrs. Patricia Quinn.

William R. Kopperud, a 1960 graduate and member of National Honor Society, conducted the initiation. Kopperud, also a graduate of Murray State University and the University of Tulsa, has had several years' work in personnel and labor management in Dearborn, Michigan, and has returned to Murray to open his own real estate agency.

The four requirements for membership in National Honor Society are scholarship, character, leadership, and service to the school. Alumni were present to pin the new members.

NATIONAL HONOR SOCIETY—These 26 members of the 1976 graduating class of Murray High School were initiated into the National Honor Society in impressive ceremonies at the high school this morning.

## Sale Of Local Bookstore To MSU Revealed

By David Hill  
Murray Ledger &  
Times Staff Writer

Agreement in principal has been reached on the sale of Wallace Bookstore here to Murray State University, according to the president of the Wallace chain.

Wallace Wilkinson, president of Wallace Bookstores, Inc., said this morning that an inventory is being taken today in preparation for takeover of the business by the university around May 1.

University officials would neither confirm nor deny the purchase of the business. The building, which was not sold, is owned by Jack Ward, of Murray, who also owns several other buildings in the immediate vicinity of the bookstore.

Although unconfirmed by university officials, an official announcement of the purchase is expected within 24 hours. Sources close to the issue have reported that a four-year lease was signed this morning by university officials, but that it is highly improbable that the lease will be utilized for the entire period by MSU.

Wilkinson said the decision was made to sell the business because the store is not doing well financially here. Wilkinson said that it had become apparent to the corporation that the MSU campus is not large enough to support two bookstores.

Wilkinson did say, however, that it was the company that approached the university, expressing a desire to sell. The sale was not solicited, nor pressured by the university, according to the Wallace president.

## C-P Walk-A-Thon Set For Saturday, May 1

The fourth annual Cerebral Palsy Walk-A-Thon, for those who cannot walk, will be held Saturday, May 1. Mary Jane Howard, coordinator, has announced that registration will begin at 8:00 a.m. at Hart Hall on the MSU campus. The 20-mile walk will begin at 9:00. Parents who need to contact a walker will be able to do so by coming to Hart Hall, she said.

The National Secretaries Association will assist with registration and the Civitans will help man the checkpoints and serve the food along the way. The Four-Wheelers club will be driving the route with CB radio communications to block traffic and pick up any tired walkers. The ROTC Department will be furnishing and dispensing water at various checkpoints. All communications will be through the Amateur Radio Club.

Listed below are some of the prizes

which have been donated by local merchants: bicycle, radio, football and basketball, baseball glove, game and flashlight, savings bond and three gift certificates. Food and refreshments have been donated by various organizations.

Sponsor sheets may be picked up in the office at local schools or by calling Mary Jane Howard at 753-9727 or Jerry Morris at 753-1860.

All proceeds will be sent to the Kentucky office of United Cerebral Palsy for distribution throughout the state.

### Chance of Rain

Chance of rain through Friday. Lows tonight in the low to mid 40s. Highs Thursday in the mid to upper 60s. Winds northeasterly to 10 mph. Chance of rain 40 per cent Thursday.

## Overby Wins C-F Bicycle

Darrell Overby, a sixth grade student at Southwest Elementary, collected \$169 in pledges to win the 10-speed bicycle which was the grand prize for the Cystic Fibrosis Jog-Bike-A-Thon, chairman Mike Brandon announced today.

The bike, purchased at cost from Spoke & Pedal with donations from the Bank of Murray and Peoples Bank, will be presented to Overby within the next week.

"Thus far, we have over \$560 which has been turned in from the event," Brandon said.

"We did not set any goals but that figure certainly surprises us," he added.

Just over \$800 was pledged and there are still participants who have not turned in their money. Those who have not turned in their money are urged to do so within the next few days so the list of prize winners can be completed.

All of the proceeds from the jog-bike-a-thon will go to the Bluegrass Chapter of the Cystic Fibrosis Foundation.

## Carter Gains Unexpected Lead In Delegates With Pennsylvania Win

PHILADELPHIA (AP) — Jimmy Carter has combined his big victory in Pennsylvania's Democratic presidential preference primary with an unexpected lead in the crucial battle for the state's national convention delegates.

The former Georgia governor, boasting that "we're now No. 1," had won or was leading for 61 of the state's 178 delegates as the vote count continued today. Some results were not expected until Friday.

President Ford, unopposed in Pennsylvania and apparently assured of all 103 Republican delegates, was in Texas preparing for the important May 1 primary there.

Ford emphasized law and order in a speech prepared for a meeting in Tyler of three law groups. He decried "simple solutions to complex problems" and

said he is determined to keep Americans safe from crime at home and from war and aggression abroad.

The President apparently sought to stake out an issue of his own against challenges to his defense policy from former California Gov. Ronald Reagan.

But he wound up with a pledge to "continue to insure that the United States of America is unsurpassed in military capability" — a pledge he seems compelled to make everywhere because of Reagan's persistent campaigning on that issue.

Correctly predicting that the people wouldn't listen to the party bosses and labor leaders who tried to stop him in Pennsylvania Tuesday, Carter demolished his chief foes — Sen. Henry M. Jackson of Washington and Arizona Rep. Morris K. Udall — in the non-binding popularity contest. Alabama

Gov. George C. Wallace was a distant fourth.

But what Carter hadn't predicted, while Jackson had, was victory in the delegate contest — and this apparent upset left Jackson and Udall disappointed.

"This slows down our course to the White House," Jackson said.

"I wouldn't be honest if I didn't tell

(See Carter, Page 14)

## Math And Science Fair To Be Held On Saturday

More than 1,200 elementary, junior high, and high school students from 21 West Kentucky counties and three in West Tennessee are expected to compete Saturday, May 1, in the annual Murray State University Mathematics and Science Fair. The three Tennessee counties to be represented are Stewart, Montgomery and Henry.

This year's fair, expected to include more than 600 exhibits in six scientific areas, will be held for the first time in the new Livestock and Exhibition Center on the University's agricultural laboratory farm one mile west of the campus.

Individual and group awards will be given in each of the six categories, of which geography is being included for the first time this year, on each of the elementary, junior high and high school levels. The other five categories are chemistry, physics, earth sciences, biology and mathematics.

Judging of the projects, many of which have been months in development stages in the classrooms, will begin at 10 a. m. with the awards ceremony scheduled to start at 2:30 p. m. in the arena area of the exhibition center, which has a seating capacity of more than 2,800.

Judging is based on three areas: Originality; depth of understanding of the project and the ability to discuss it, and the scientific method of investigation used to pursue the objective.

The public is invited to view the exhibits from 12 noon until the awards ceremony begins at 2:30 p. m.

In addition to the awards to be presented in the different categories, "best of show" awards will be given for each category on each of the students' levels — elementary, junior high and high school.

A Grand Award also is given each year for the project judged the most outstanding of the entire fair. Last year, this was won by Susan Bryant, a junior at Paducah Tilghman High School with a comparative blood study of a chicken, frog, dog and turtle — four different classes of vertebrates.

The teacher of the student winning the Grand Award also is presented with an engraved plaque.

Directing the fair is George N. (Nick) Britt, Jr., an assistant professor in the Department of Mathematics, and he is being assisted by faculty members and graduate students in the College of Environmental Sciences at Murray State.

## Outstanding Students Selected At Calloway

Named the most outstanding senior for 1975-76 at Calloway County High School is Miss Linda Lee Avery. Named the best all around senior girl is Peggy Rogers and named the best all around senior boy is Randy Herndon. These seniors were selected for their

Linda Avery

academic record and extra curricular activities as well as their involvement in the total school program, a school spokesman said. The faculty voted by secret ballot on seniors nominated for these honors.

Miss Linda Avery is co-vice president of her class of 174 students. She is the daughter of Mr. and Mrs. Carroll R. Avery of Pine Bluff Shores, New Concord. She has served as president of Beta Club this year, secretary of First District Beta Clubs, member of National Forensic League, past member of Clean Teens and French Club.

Linda was a delegate to Girls State 1975-76. She has recently received the honor of being named State DAR winner. She has received degrees of merit and honor in NFL, Optometrist Oratorical Award and has won in Speech and Debate competition in three events. She has been named to "Who's

Who for American High School Students" and to "The Society for Outstanding High School Students." Also she served on the staff of the first school paper, "The Laker." After graduation Linda plans to attend Murray State University and major in English and Journalism.

The best all-around girl is Peggy Lee Rogers, daughter of Mr. and Mrs. Lee Rogers of Route 1, Farmington. She ranks fourth in her class of 174 with a grade point average of 97.63. Peggy has served as class president, as a cheerleader all four years, as a student council member for four years and is serving this year as secretary of the council. She is a member of Beta Club, FHA and FBLA, NFL Speech and Debate and was selected as class favorite in sophomore and junior years.

Peggy has received awards in track and cheerleading as well as degrees of Merit and Honor in NFL. She has won

Peggy Rogers

events in speech, geometry and the W.O.W. award for outstanding proficiency in American History. She was named to "Who's Who for American High School Students" and to the "Society of Distinguished American High School Students." Peggy plans to

attend Murray State University. The best all-around boy named in the senior class is Randy Lynn Herndon, son of Mr. and Mrs. Thomas E. Herndon of Route 5, Murray. Randy ranks third in the class of 174 with a grade point average of 98.09. Randy is vice

Randy Herndon

president of the Student Council, a member of Beta Club, past member of SAE, a member of NFL, Speech and Debate Team at Calloway.

Randy has been named to "Who's Who for American High School Students" and to "The Society for Distinguished High School Students." He has won several awards in speech and debate. Other awards and honors are as follows: First place in State Duet Acting 1974-75, NFL Degrees of Merit, Honor, Excellence and Distinction; Honors Day Awards in algebra, English II, Outstanding Dramatics Award, Most Valuable Speech Team Member 1974-75, Student Council Award, speech team trophies, Citizen of Month for November 1975 and has obtained an FCC Radio Operators License.

Recently, Randy was rated by his class members as the "Most Likely to Succeed" and by the faculty as "Best All Around Senior Boy."

RECREATION TRAINEES — Among the 15 trainees in the first cycle of a program initiated last week by Murray State University to prepare older adults as recreation technicians for health care facilities in the Jackson Purchase are (from left) Marilyn Clark, Helen Brandon, Virginia Converse, and Heloise Roberts, all of Murray. They are shown with (continuing from left) Rebekah Blaine, director and clinical coordinator, Lloyd Brander, recreation therapist, and Grace Thomas, senior employment counselor in the Mayfield office of the state Bureau of Manpower Services. The 21-week program, which began Monday, is supported by a \$60,798 teaching grant from the Kentucky Bureau of Manpower Services to the Department of Recreation and Physical Education at Murray State.

# Mitchell and Fisher Vows To Be Read

Mr. and Mrs. Bobby Mitchell of Almo Route One announce the engagement and approaching marriage of their daughter, Sherry, to Dennis Fisher, son of Rufus Fisher of Portageville, Mo.

Miss Mitchell is a 1972 graduate of Calloway County High School. She received her B. S. degree in Speech and English from Murray State University in December and is presently studying for her master's degree.

Mr. Fisher is a 1969 graduate of Portageville High School. He received his B. S. degree in Speech and Recreation from Murray State University.

The wedding will be an event of Saturday, May 8, at seven p. m. at the Spring Creek Baptist Church with Dr. Jerry Mayes to perform the ceremony. As only out of town invitations are being sent, all friends and relatives are invited to attend both the wedding and the reception.

# Miss Cindy McDaniel Honored At Luncheon At Moore Home

A luncheon honoring Miss Cindy McDaniel, May 15 bride-elect of Chappell Harris, Dallas, N. C. was given April 13 at the home of Mrs. Ray Moore, of College Farm Road.

Hostesses for the noon event were Mrs. Moore and her daughter, Mrs. Paul Wells of Waco, Texas. They presented Miss McDaniel with a colorful shoulder corsage of daisies.

Those attending were Mrs. Marsha Hortin, Misses Sue Ann Wade, Betty Chaney, Susan Nannan and Debbie Lee.

The hostesses and guests presented Miss McDaniel with several useful gifts for the kitchen.

# Top Student Is Named At Puryear

LeAnn Stephenson

Seventh grader LeAnn Stephenson, daughter of Mr. and Mrs. James E. Stephenson, has been named Outstanding Student of the third nine-weeks period at Puryear School.

At the end of the school year, each nine-weeks winner will be eligible for the final Student of the Year award. The awards are sponsored by the Puryear Lions Club and the year's top students will receive a \$25 savings bond from the club.

Criteria for the selections include desire to do his or her best in work and for the school, effort in class, high academic achievement according to ability, and high character in all phases of the school community.

# COMMUNITY CALENDAR

# Sun Fun

VERSATILE—One-piece suit can lead many lives. This softly sueded nylon fashion washes and dries quickly and packs easily, making it ideal for swimming, sunning—or tennis, anyone? Cap sleeve construction makes effective post-mastectomy cover-up. (Caprolan nylon suit by Gabar.)

Corned-beef sandwiches benefit from being served with cabbage slaw to which thin strips of Swiss cheese have been added.

Dr. Farouk Umar, center, spoke at the meeting of the Kappa Department of the Murray Woman's Club. On the left is Mary Jo Bartholomy and on the right, Melissa Easley, Kappa members.

# Dr. Umar Speaks On Middle East At Meet

"Middle East—Does It Affect You?" was the subject of the program given by Dr. Farouk Umar at the meeting of the Kappa Department of the Murray Woman's Club held on Tuesday, April 13, at 7:30 p.m. at the club house.

Expressing his opinion on the Middle East Conflict, Dr. Umar, professor of Political Science at Murray State University, stated that the Middle East is one of the most dangerous areas in the world today in regard to world peace.

# Ruth Warren Group Has Meeting At The Home Of Joanne Windsor

The Ruth Warren Group of the Sinking Spring Baptist Church met in the home of Joanne Windsor on Tuesday, April 13.

Members will be responsible for providing the refreshments for the organizations on the first meeting of each month from April through September.

A nominating committee composed of Marty Terry, Jane Willoughby, and Jane Stallons was appointed. The slate of new officers is to be presented by the month of June.

The group will sponsor a Senior Citizens' Sunday on May 16 at the church. Lunch will be served followed with a program.

Dr. Umar pointed out that the conflict is not religious, but political in nature. The Arabs are upset over the way that Israel was set up, and feel that they were unjustly punished for Hitler's misdeeds.

Giving a brief history of the struggle, Dr. Umar stated that the Arabs begin receiving weapons from the Soviet Union in 1955, even though they are not Communists.

During the war of 1967, Israel obtained more land. The United Nations asked that Israel withdraw from the occupied territory and Israel refused. In 1973, war again broke out between the Arabs and Israelis.

In 1973, Dr. Umar said the industrial countries realized how dependent we are on the Arabs for oil. Because of the increase in price from \$3.00 a barrel to \$11 a barrel, Japan, England, and France became more lenient toward the Arabs, and began pressuring Israel to give up the unoccupied territories.

Dr. Umar stated that he felt

# Miss Timmons Named, Honor

Miss Marilyn J. Timmons, daughter of Mr. and Mrs. Nelson Timmons of Kuttawa Route Two, won the National Business Education Association Award of Merit for Outstanding Achievement in Business Education at the Awards Day program held at Murray State University on Sunday, April 25.

The winner is a member of Pi Omega Pi and Alpha Chi, according to Dr. Alberta Chapman, chairman of the Business Education Department.

# Personals

NOW AT HOME

Mrs. Myrtle Mae Grogan is now recuperating at her home after having undergone a cornea transplant at Madison Memorial Hospital, Madison, Tenn.

the United States should also exert pressure on Israel to sign the peace treaty, and suggested that this could be done by withholding aid. Until Israel agrees, the U. S. will continue to pay higher prices for oil and inflation will continue.

Officers elected for the 1976-77 year are Jane Hall, chairman; Andrea Hogan-camp, vice-chairman; Beryl Whaley, secretary; Judy Stahler, treasurer.

Hostesses for the meeting were Barbara Rose, Carolyn Woolley, Anne Kelly Ellis, Melissa Easley, Pat Miller, and Mary Jo Bartholomy.

We are happy to announce that Katie Blalock, bride-elect of Mike Jull, has selected her tableware from our complete bridal registry.

Katie and Mike will be married on May 22, 1976.

## Spring's For Planting Roses

When spring's gently warmed earth brings forth the rose bush's first colorful, fragrant blossoms, the gardener is reminded of why this ancient flower has remained a perennial favorite for centuries.

The most common of flowering shrubs, the rose's popularity is accounted for, in part, by the variety of species available. It is a rare lawn that does not have some rose-bearing plant: a miniature, a bush, a tree or a climber. The color selection is a slice out of the rainbow's spectrum—yellows, creams, pinks, reds, white. When properly cared for, roses are easily grown almost anywhere, and are always an attractive addition to any lawn or garden.

The three major requirements for location of roses are plenty of air circulation, sun and drainage. Specific planting instructions are available from your local nursery garden center.

If rose-bearing plants are already growing in your yard, now is the right time for pruning and feeding. To prune, cut away all dead,

broken or scraggly shoots, leaving the bush open for healthy growth of stronger canes. New green shoots will soon be appearing on your plants as the spring sun warms the earth.

Roses need nitrogen, phosphorus and potash as basic nutrients, and these are available from commercial fertilizers, such as 5-10-5, or natural materials. Sow fertilizer two to three inches into soil surrounding perimeter and water afterwards. For the healthiest roses, good feeding practice is to repeat this process three times annually: once in early spring, once about the time of heavy June bloom, and once in early August.

Watering requirements vary with the climate, but a good rule of thumb is to make sure the roses receive the equivalent of one inch of rainfall weekly.

There are certain common diseases, such as black spot, and insects, such as Japanese beetles, which may be readily controlled by the use of properly timed sprays and dusts. Advice and materials for pest control may be obtained from your garden center.

## Directory Now On Sale Here

The National Organization For Women Babysitting Directory is now on sale for \$1.00 at the University Bookstore, Wallace's Bookstore, and the Sunshine Health Food Store.

Listing information regarding about fifty people willing to babysit, the book also includes tips on choosing a babysitter, emergency phone numbers, and important items to leave the babysitter.

All proceeds from the sale of directories will go to buy library books for the local elementary schools.

## Girl Scout Troop Takes Hiking Trip

The First Grade Troop No. 288 of North Calloway Elementary School took a hiking trip to Bear Creek Girl Scout Camp.

The members took "sit-upons" that they had made and a "nosebag" lunch. The troop is led by Mrs. Larry Tillman and co-led by Mrs. Mike Rose and Mrs. Jim Hays.

Sixteen girls were chaperoned by Yvette Pyle, Cheryl Hudson, Dorothy Kern, Anna Tabers, and Mrs. Larry Black, along with the leaders. The girls walked through the camp, picked up articles, waded in the water, and had a picnic.

You can make a room seem warmer by adding a bench and a cherry-colored cushion.

## Plumber's Wife Would Bill in 'Bartered Goods'

By Abigail Van Buren

© 1976 by Chicago Tribune-N.Y. News Synd. Inc.

DEAR ABBY: A few months ago I had some plumbing done. Due to some financial troubles, I wasn't able to pay the bill within 30 days.

Yesterday I received another bill with a note from the plumber's wife, who does his bookkeeping. It read: "Jim doesn't expect to take this bill out in trade, so please remit!" And she signed her name.

I sent a check for the full amount and enclosed the following note: "I was not aware that your husband was in the habit of taking his bills out in trade, but if he does, I feel very sorry for you." And I signed my name.

My son saw the note from the plumber's wife to me and recommended that I take it to a lawyer and sue the woman for slander.

What would you do?

INSULTED

DEAR INSULTED: I would send her a get-well card. She is sick. (I would also let the plumber know what kind of statements his wife is sending out with his statements.)

DEAR ABBY: I am a 55-year-old woman with a problem I've never seen in your column.

I have been going with this man for six years. He is 43, and he says he can't marry me because he promised his mama before she died three years ago that he wouldn't get married until his daddy got married, as she didn't want his daddy to be left all alone.

His daddy hasn't got anybody to marry, and he isn't even looking.

Abby, I am no spring chicken, and I need to know how I can get this man to either let me quit him or marry me.

NO SPRING CHICKEN IN ADA, OKLA.

DEAR NO: Only a dumb cluck would coop herself up waiting for her boyfriend's daddy to marry. Get another rooster on the roster.

DEAR ABBY: Last night was the last straw. I cannot spend another morning picking up my garbage after my neighbor's dog has spread it all over my backyard. I turned the porch light on, and I could see Sam's tail wagging with his head in my garbage can. Then he tipped the can over, and the garbage was strewn all over my yard.

This morning I called Sam's owner and asked him to please come and clean up my yard because his dog had turned over my garbage can. He asked me how I knew it was Sam, and I told him I recognized him because he comes over every day to defecate on our grass. Then I asked him to please keep his dog tied up.

He said he couldn't because I was the neighbor who complained to the police about his dog's howling and barking when he was tied up. Then he told me to get a garbage can with a good lid on it, and he hung up.

Abby, I am ready to move out of this house because of that dog. Can you help me?

FORT BRAGG

DEAR FORT: There ARE garbage cans with lids that are "dog proof." Ask at your hardware store. It's much cheaper than moving.

Everyone has a problem. What's yours? For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

## Mrs. Farmer Gives Program For Members Of Faith Doran Circle

The Faith Doran Circle of the First United Methodist Church Women met Tuesday, April 13, at two p.m. in the senior youth room of the church with the chairman, Mrs. Carl Harrison, opening the meeting with scripture reading and prayer.

Mrs. Claud Farmer was the leader for the program. She used for her topic, "A Pattern of Thinking" by Dr. Charles Allen.

The devotion was given by Mrs. Mary Louise Baker who

read Psalm 23 and closed with prayer.

Mrs. Robert Smith, secretary, and Mrs. Isaac Clanton, treasurer, gave reports. Announcements of interest were made by Harrison. A report on the sick and shut-in members was given.

During the social hour the hostesses, Mrs. Carl Rowland, Mrs. Aubrey Farmer, and Mrs. Mattie Parker, served refreshments to the twenty-three members present.

MIDDLE SCHOOL BOYS CHORUS, directed by Margaret Porter, will perform prior to the opening of the first Kentucky State Charity Horse Show, Saturday, May 15th, at 7:30 p.m. This event will be in the Live Stock Show and Exhibition Center at Murray State University. Everyone is invited to attend, and tickets are now on sale. The Boys Chorus will include on the program the following songs: "Partner and Song," a medley of American traditional songs, "Shanandoah," "Battle Hymn of the Republic," "This Is My Country," and "My Old Kentucky Home."

## North Murray Homemakers Meet With Mrs. Riggins At Her Home

The home of Mrs. Bailey Riggins on South Sixteenth Street was the scene of the meeting of the North Murray Homemakers Club held on Friday, April 9, at 1:30 p.m.

Mrs. Greene Wilson and Mrs. Charlie Crawford presented the major lesson on "Up To Date Food Preservation Including Canning, Freezing, and Drying."

The scripture from Psalms 19:1, 24:1, and 1:21 was read by Mrs. Charles Humphreys who also read a poem, "The Beauty We Feel."

Mrs. Edgar Morris, president, presided and opened the meeting with prayer. Nine members answered the roll call by naming a consumer tip. Announcements were made of the Tasting Luncheon on April 30 and the Annual Day on May 7.

Refreshments were served by Mrs. Riggins.

The next meeting will be held Friday, May 14, at 1:30 p.m. at the home of Mrs. Ivan Outland, 509 South Thirteenth Street, Murray.

## Mrs. Dian Boyd Is Honored At

## Meeting Of Murray TOPS Club

The TOPS "Club" had a special meeting on Tuesday, April 20, at the Immanuel Lutheran Church with all members weighing in at six p.m. and the regular meeting at seven p.m.

Mrs. Dian Boyd who has been leader for the past two years presented her leader's pin to the new leader, Dolores Holzschuk. Mrs. Boyd also presented each one of her officers with a gift for their

faithful work with her during the year.

The club appointed Mrs. Boyd as the weight recorder even though she was lost as a leader. The club presented her with a beautiful engraved silver tray for her two years' service. This presentation was made by the co-leader, Nadine Smith. Shirley Morris, secretary, presented Mrs. Boyd with a necklace from the club for her years as a faithful leader.

Norman Hainesworth presented a program on the theme, "Mind Over Matter." Iris Casteel was asked to have charge of the program on April 27.

The leader started a new contest to run until after Mother's Day.

## Births

### PASCHALL BOY

Mr. and Mrs. Tim Paschall of Mayfield Route Seven are the parents of a baby boy, Jarrod Timothy, born on Tuesday, April 6, at the Murray-Calloway County Hospital.

Grandparents are Mr. and Mrs. Chester Paschall and Mr. and Mrs. Bill Barber of Sedalia. A great grandmother is Mrs. Iva Barber of Sedalia.

### WALKER BOY

Mr. and Mrs. James Boyd Walker of Hardin are the parents of a baby boy, Frank Edward, born on Wednesday, April 7, at the Community Hospital, Mayfield.

### OAKLEY BOY

A baby boy, Craig Dale, was born to Mr. and Mrs. Bobby Dale Oakley of Cadiz Route One on Thursday, April 8, at the Murray-Calloway County Hospital. They have one daughter, Keana Ann.

Grandparents are Bobby Oakley and the late Mable Oakley, and Mrs. Arlene Underhill and the late Grover Creamer. Great grandparents are Mr. and Mrs. Lois Oakley, Cadiz, and Mrs. Hattie Jackson of Florida.

### BUCY GIRL

Mr. and Mrs. Terry Bucky of Mayfield are the parents of a baby girl, Artie Marie, weighing six pounds ten ounces, born on Friday, April 16, at the Murray-Calloway County Hospital.

Grandparents are Mrs. Brent Bucky of Buchanan, Tenn., and Mr. and Mrs. Sam Atchison of Puryear, Tenn.

### WATSON BOY

Pvt. and Mrs. Joe Watson of Mayfield Route Seven announce the birth of a baby boy born on Saturday, April 17, at the Western Baptist Hospital, Paducah.

Grandparents are Mrs. Paul Watson of St. Louis, Mo., and Mr. and Mrs. Kenneth Alderdice of Mayfield.

## Too Many People

A population growth rate of 1.9 per cent doesn't seem threatening at first glance. But that rate, which is the current one world-wide, will double the earth's population in 36 years, according to a new United Nations report.

Infant mortality rates are dropping. Life is lengthening. Between mid-1973 and mid-1974—the latest period covered in the U. N.'s Demographic Handbook—world population increased by 72 million. Many countries are desperately seeking acceptable and practical ways to lower their birthrates, some with much less success than the United States.

In India, birth control has become literally "a question of life and death," as a parliamentary leader said in urging stringent government action. Beyond incentives, "disincentives" under discussion include such measures as withholding government loans, grain, fertilizer or other necessities from uncooperative families—in other words, withdrawal of food and credit in a country where starvation is hauntingly present.

China has a comprehensive program of family planning, including sex education, delayed marriage, available contraception and free abortion. This has lowered birthrate, apparently without coercion; still, China has added nearly 60 million to the world population in five years.

There is more to family planning than limiting birth. Birth

control is only part of a more complex pattern of social change including, among other things, old-age security. But a safe, sure contraceptive, low in cost and easy to distribute in countries where medical care is at a minimum, should have priority over supersonic transports and long-range missiles.

Otherwise, Spaceship Earth will soon be modeled on Singapore, where there are 10,000 people and over 1,200 automobiles for each square mile. At that point carbon monoxide poisoning may finally assure zero population growth, if not zero population.

—Charlotte (M.C.) Observer

### 10-Years Ago

Murray High School Seniors named to the National Honor Society were Linda Allbritten, Barbara Brown, Linda Brownfield, Carol Champion, Shirley Cochran, Judy Hargis, Linda Harris, Rita Hurd, Shirley Lyons, Mike McDaniel, Mary Jo Oakley, Mary Robbins, Max Russell, Arlo Sprunger, Jr., Linn Stranak, and Eddie West.

Deaths reported include Gene Dale Mohundro, age 40, and Mrs. Oral Smith, age 74.

Mrs. C. C. Lowry of Murray was elected president of the Kentucky Federation of Women's Clubs at the 71st annual meeting held at Lexington. She will be installed today by the immediate past president, Mrs. Adron Doran of Morehead.

Mrs. Everett Ward Outland has been elected president of the Bear Creek Girl Scout Council.

James C. Dowdy was promoted to the rank of sergeant in Vietnam while serving with the Army there.

### 20 Years Ago

Murray State Athletic Director Roy Stewart was presented with a plaque for "Unselfish Service" by Union University on Citation Day. He graduated from Union in 1926 and was active in all sports while there.

Deaths reported include Mrs. Jimmie Clint Lawson, age 75, and Charles H. Ross, age 84.

Miss Ruby Simpson talked about her experiences while teaching in Turkey at the meeting of the Murray Rotary Club. She was introduced by Herschel Corn.

Freeman Johnson has announced that he has purchased the Wheatley Lumber Company on the Hazel Highway.

Jim's Roller Skating Rink is now open on North Eighteenth Street.

## HEARTLINE

HEARTLINE is a service for senior citizens of all ages. Its purpose is to answer questions and solve problems—fast. If you have a question or a problem not answered in these columns, write HEARTLINE, 8514 N. Main St., Dayton, Ohio 45415. Senior citizens will receive prompt replies. The most useful replies will be printed in this column.

Heartline Interview: James B. Cardwell, Social Security Commissioner

On Oct. 24, 1973, James B. Cardwell was sworn in as Commissioner of the Social Security Administration. He had been with the Department of Health, Education and Welfare since 1965 and was budget officer from 1955 to 1957 in the Office of Vocational Rehabilitation. From 1957 to 1958, he was a budget examiner with responsibility over the Department's health budget in the Office of the Secretary.

Mr. Cardwell was Assistant Commissioner for Administration in the Food and Drug Administration during 1958-1965. He was appointed in 1965 as Deputy HEW Comptroller and Departmental Budget Officer and served from 1970 to 1973 as Assistant Secretary and HEW Comptroller.

He has received numerous awards during his tenure with HEW, including the Department's Superior Service Award, 1961; the FDA Award of Merit, 1965; the HEW Secretary's Special Citation, 1968; and the HEW certificate of Outstanding Performance, 1968. He received the National Civil Service League Career Service Award in 1971, and the Rockefeller Public Service Award in 1974.

Mr. Cardwell and his wife, the former Mary Louise Sheppard of Kansas City, Kan., live in Rockville, Md. They have four sons.

Following is the first part of Heartline's interview with Cardwell. Part two will appear in Friday's Heartline column.

Heartline: What are your primary duties as Commissioner of Social Security?

Mr. Cardwell: The Commissioner is responsible for the administration of the Social Security cash benefits programs of retirement, survivors and disability insurance; hospital and medical insurance under Medicare; and the Supplemental Security Income (SSI) program for the needy aged, blind and disabled.

Heartline: Do you feel that there should be general revenue payments into the Social Security funds?

Mr. Cardwell: Most of Social Security's success and acceptance over the years is due to the fact that benefits are paid as an earned right. Any measure that tends to dilute this principle could, in the long run, be detrimental to the program. There is, I believe, a distinct possibility that the use of general taxes in lieu of the dedicated taxes might eventually dilute the earned-right principle. What would happen, I believe, is that the difference between social insurance and public welfare would gradually be blurred and that a needs test would soon follow. I question whether most Americans would want to see Social Security develop in this direction—the direction of a general welfare subsidy rather than an earned right.

Heartline: Many people find themselves in the position where they can never work again, but they are lacking enough quarters (sometimes only one or two quarters) to be eligible for Social

Security retirement or disability. As a result, all that these people have paid in is lost and will never benefit them. Many people are beginning to question a program that a person is forced by law to pay into, but that offers no guarantee the contributor will benefit from his contributions. Do you think that something should be done for Social Security contributors in this position?

Mr. Cardwell: The quarters of coverage requirement is designed to assure that workers demonstrate a reasonable amount of work experience to qualify for monthly benefits. The requirement in the law is quite liberal; this year, for example, a worker reaching 62 needs only 25 quarters, or 6 1/4 years of work, to qualify for benefits. In the future, no one will ever need more than 40 quarters, or 10 years. If there were no minimum requirement for covered work, people could conceivably become eligible for Social Security after having paid nothing or very little into the system. This clearly would not be fair; a line has to be drawn. Naturally, I can understand why a worker who cannot satisfy even the very liberal coverage requirement is apt to feel cheated.

Heartline gives you helpful information in the free leaflet, "Three Basic Types of Health Insurance." To obtain your copy, address a long envelope to yourself, put 13 cents postage on it and enclose it in an envelope addressed to Heartline, Box 4994, Des Moines, Iowa 50306.

For a personal reply to your questions to Heartline, please enclose a stamped, self-addressed envelope.

### Isn't It The Truth

Why would a man want to be president? It cannot be that he expects to do good, because every minute of his executive life is a compromise between good and bad, like deciding where to put the blame for his troubles in the White House—on the Russians, inflation, Henry Kissinger, Jimmy Carter or his old quotes come back to ghost him.

## Sensing The News

By ANTHONY HARRIGAN

Executive Vice President

United States Industrial Council

HARRIGAN

TODAY'S TOPIC: FOOD AND MORALITY

Good intentions often fail to produce beneficial results. High-minded, humanitarian goals sometimes lead to injustice and tyranny. Enthusiasm for a good cause can result in illogical conclusions. This is the way of the world.

A case in point is the recent declaration by 27 religious leaders, calling on Congress to establish the "right to food" as a basic element of U. S. policy and action. The appeal urged enactment of two resolutions declaring that everyone in the world "has the right to food—the right to a nutritionally adequate diet—and that this right is henceforth to be recognized as a cornerstone of U. S. policy."

This appeal by the religious leaders may be based on the best of intentions, but it isn't well thought out. One may wish that everyone in the world had an adequate diet, but there is no legal foundation on which a "right" can be built. Moreover, the declaration ignores significant realities. Indeed, the declaration could result in profound injustices and endanger the freedom of millions of people in the Western world.

In the first place, there is nothing in the traditional creeds that specifies a moral "right" to food let alone a legal right binding on the U. S. government. Therefore, the appeal is, in fact, a demand for a new economic order, rather than a restatement of an established principle of faith.

Rights cannot simply be invented according to whatever is fashionable in one period or another. Has the resident of the Ganges, with a "right" to a "nutritionally adequate diet," also have the "right" to a new car, health insurance, adequate housing and entertainment? When one considers such extensions of the "rights" notions to other aspects of life, the "right to food" is shown to be without logical foundation. One then gets into the question of how a "right to food" is translated into reality. Millions of people in this world, especially in Afro-Asia are subject to famine or near famine. To feed these millions—and they may number hundreds of millions in the future—may be beyond the capability

of those countries which are successful in producing food, chiefly the Western, capitalist countries.

It is clear, moreover, that the food-deficient nations of the Third World haven't any way of repaying the Western nations, principally the United States, for food shipped to them.

Should the American people and other successful food producers devote all their lives and energies to raising food to be used as gifts to the swarming millions of India, for example? It will be very difficult to convince the American people that they have any moral obligation to become, in effect, the indentured servants of the Indian people.

Over the past three decades, Americans have been enormously generous in shipping free food to India, Africa and other lands where famine or near-famine conditions exist. These shipments have not helped the Indians to increase their output of food. The Indian government has imposed socialist controls on Indian agriculture which have retarded food production. Indeed many Indians—certainly Indian officials—seem to have the idea that free food from the United States is a right they possess.

This experience shows that the "right to food" declaration would work great hardship and injustice on the American people. It would result in an immoral situation, namely the tyranny of the backward, socialist-oriented Third World over the progressive, enterprising American people.

It would have been far better if the 27 religious leaders had stressed the moral value of self-reliance, and urged Third World leaders to abandon the harmful socialist doctrines which produce poverty and hunger. This is the proper focus of moral concern.

### Bible Thought

Blessed be the kingdom of our Father David, that cometh in the name of the Lord: Hosanna in the highest. Mark 11:10.

The hopes of history took on meaning when Jesus Christ came.

## Out Of Practice

First it was the doctors being sued by the lawyers for medical malpractice. And now the lawyers are suing each other for legal malpractice. At the rate we're going in the race to make a living, pretty soon we'll all be out of practice.

—Hope (Ark.) Star

### Let's Stay Well

## Family Life Is Changing

By F.J.L. Blasingame, M.D.

Blasingame

The greater use of the Pill and other forms of contraceptives is having significant and surprising effects on family life.

World War II was followed by the baby-boom generation. When these children grew up, they were supposed to produce, according to many population authorities, another boom of new babies, expanding our population rapidly. This has failed to happen. The women of the baby-boom generation decided to hold down the sizes of their families, having fewer or no children.

Economic pressures have also caused many wives to seek employment so that households could have more than one source of income.

The upswing in the divorce rate has also forced many women to work and to reduce family size.

An additional factor has been women's liberation. In a quote in U.S. News & World Report, Roger Revelle, director of the Harvard University Center for

Population Studies, explains, "Women's lib and the decline in the birth rate are really just two sides of the same coin. Not only do the women want to have fewer children because they're liberated, but the fact that they have fewer children means that they can be liberated and they can take jobs."

Fewer children per family can alter family life. While a child could possibly receive more individual attention from his or her parents, the parents may be preoccupied with job responsibilities which not only cut down on available time but also modify parent interest and bring on fatigue. Added income may permit significant changes in the way that leisure time is spent, encouraging participation in activities outside the home.

The life expectancy for women as compared with men is presenting problems. The female at birth has an expectancy of 75 years in contrast to 66 years for

the males. This difference is altering the sex relationships markedly among older citizens. This age group needs the opposite sex as much or more than younger persons. It has been estimated that, in the United States, we will have 50 per cent more women than men over 65 years of age by the year 2000. Authorities predict that we can expect considerable adjustment in living arrangements among the aged during the remainder of the century.

The long-range solution challenges male chauvinism to direct its attention to research that hopefully would solve the inadequacies of male physiology so that it could approach that of the so-called "weaker sex." Also, females, in their own interest, might attack the problems that prevent equal survival of man and woman.

Q. Mrs. P.K. requests an explanation of what is meant by

"dental mumps." A. Dental mumps refers to a swelling in the parotid gland in the side of the face in front of the ear and is related to an obstruction from false dentures to the opening of the duct in the mouth. This opening is opposite the upper second molar tooth, and the stoppage may be from the dentures encroaching on the duct or from their traumatizing the opening of the duct. The condition is not contagious and is relieved by modifying the dentures so that the duct obstruction is removed.

Q. Mrs. M.H. wants to know if taking several aspirin a day while nursing her baby can be harmful to him.

A. When a mother takes ordinary doses of aspirin, some of the chemical appears in her breast milk. However, the amount is so low that it is insignificant and nontoxic for the nursing baby.

# Where Were You Kate Smith? Flyers Are Upset On Home Ice

By FRANK BROWN  
AP Sports Writer

It had been a long time since the Montreal Canadiens had played the New York Islanders — 59 games and five months to be exact. But it didn't seem to matter, as the two closely matched National Hockey League teams picked up where they left off Nov. 30 and played a tooth-and-nail semifinal playoff game with the Canadiens winning 3-2 Tuesday night.

## East Track Teams Grab Two Triumphs

Host East Calloway won a pair of track meets Tuesday afternoon.

In the boys' meet, East defeated North 64-36 while in the girls' meet, East won 58-42 over North.

The complete results are as follows:

**Boys' Results**  
Shot put: 1. Scott (N) 2. Harper (E) 3. Childress (E) 40-10.  
Long jump: 1. Emerson (E) 2. K. Todd (N) 3. Garland (N) 16-7.  
Discus: 1. Cochran (N) 2. Scott (N) 3. Childress (E) 101-4.  
High jump: 1. Barnett (E) 2. Smith (E) 3. K. Todd (N) 5-1.  
80-yard hurdles: 1. Emerson (E) 2. McCutcheon (E) 3. Bynum (E) 9-8.  
100-yard dash: 1. E. Kirks (E) 2. Furr (N) 3. Bibb (N) 6:20.8.

It had been a long time since the Philadelphia Flyers had lost at home — 25 games and four months to be exact. But it didn't seem to matter to the Boston Bruins, the last team to beat the defending Stanley Cup champion in their Spectrum home last Dec. 28. Boston turned the trick again Tuesday night, upending the Flyers 4-2 in their semifinal opener.

In the World Hockey Association, Indianapolis tripped New England 5-3 to tie their best-of-seven United States semifinal series at three victories apiece, and San Diego ended Houston's 13-game playoff winning streak with a 3-2 triumph over the Aeros in the other U.S. semifinal.

Indeed, it had been a long time since the Canadiens played anybody — having drawn a bye into the playoff quarter-finals, then sweeping past the Chicago Black Hawks in four games, then waiting nine days to see who they'd play next.

Despite some obvious rustiness, the Canadiens proved too much for the Islanders, rallying twice from one-goal deficits to score a 3-2 triumph in the series opener on goals just 1:40 apart by Larry Robinson and Yvan Cournoyer late in the third period. New York defensive star Denis Potvin set up both Islanders goals, which were scored by Ed Westfall and Bill MacMillan.

Having lost at home, the Flyers face another problem with streaks against Boston — namely, the series shifts there after Thursday's second game in Philadelphia. The Flyers have won there only twice since they entered the league in 1967 — once in playoffs — and have absorbed 18 losses and four ties in Boston Garden in the last 22 games.

That didn't seem to matter much to the Bruins, who got goals from two of their poorest marksmen — defensemen Gary Doak and Dallas Smith — along with Ken Hodge and Gregg Sheppard.

"It doesn't mean the series is over," said Boston defenseman Brad Park. "They're a great club. They will come back with fire in their eyes."

Orest Kidrachuk and Reg Leach scored for the Flyers.

Racers 5, Whalers 3

Goals by Renald Leclerc and Dave Keon late in the second period brought Indianapolis into position to make WHA history. No WHA team ever has come back from a 1-3 deficit in games to win a playoff series, but the Racers can accomplish the feat by winning Game Seven Thursday night at Indianapolis.

Mariners 3, Aeros 2  
Rookie center Bob Dobek broke a 1-1 tie with his first goal of the playoffs to lead San Diego's victory over Houston and keep the Mariners' playoff hopes alive.

The triumph cut the Aeros' series lead to 3-1 and ended the longest playoff winning streak in pro hockey history at 13 games.

## Biting Horse

LOUISVILLE, Ky. (AP) — As he was being led into his stall at Churchill Downs, Kentucky Derby hopeful Cojak reached over and tried to take a nip at exercise boy Dave Purcell's coat.

"Let him keep biting," Purcell, an ex-jockey from London, remarked. "Everything I've got on, he bought it, anyway."

Trainer Sonny Hine has said he hopes some new blinkers will give the 3-year-old a shot at winning the Run for the Roses, and Purcell said Tuesday that with an extended blinker on Cojak's left eye, "I don't think he'll have any problems in the Derby."

First the anemic Robinson broke up Nolan Ryan's bid for a no-hitter and then the light-hitting Belanger broke up the ballgame — and the result was a 3-2, 10-inning victory for the Baltimore Orioles Tuesday night.

"I don't have many game-winning hits," said Belanger, whose bases-loaded single in the 10th knocked in the winning run. "In ten years, I've had two, maybe one."

The game-winning hit came off an "up and in hummer" from reliever Dick Drago. "He struck me out on a ball up there last time and I was looking for something inside," said Belanger, a .257 hitter this season. "I got it and the

**Tiger Linksters Edge By Mayfield**  
By DAVID FRANK  
The Tigers of Murray High defeated the Mayfield Cardinals by a score of 161-167 Tuesday afternoon at the Murray Country Club.

Mayfield this past weekend had won the prestigious Dixie Invitational Golf Tournament in Louisville.

Lynn Sullivan grabbed the honors for the Tiger linksmen with an even-par 36. Gary Sullivan contributed a 39 while David Frank and Howard Boone completed the scoring with 43's.

Mayfield's scoring went as follows: Creason 38, Hawkins 40, Boyd 40 and Jackson 49.

The Tigers, with a record of 9-2 for the season, will travel to Calvert City Thursday to take on Marshall County.

**Takes Lead**  
HOUMA, La. (AP) — Don Reese of Troy State hit a 74 Tuesday to take the individual lead and give his team a 22-point lead in the second round of the Gulf South Golf Tournament.

Reese had a two-day total of 146, followed by North Alabama's Bill Pomory with 147 and Troy State's Ricky Beck with 149. All three shot 74 Tuesday.

AND THE KICK — Reggie Ballard of Calloway County bends his back and prepares to kick his legs up and back as he shows his form in the high jump. Ballard took second in the event in the Lakers' meet Tuesday by going over at 5-10.

# Jimmy Young Heavy Underdog In Title Matchup With Ali

By ED SCHUYLER JR.  
AP Sports Writer

LANDOVER, Md. (AP) — "Even my relatives are betting against me," says Jimmy Young.

The 27-year-old Philadelphia can do nothing about being an underdog against heavyweight champion Muhammad Ali Friday night — "My friends are not too confident" — but he intends to do something about the label: "just another opponent."

"The world is full of surprises," said Young, who did not work out Tuesday and killed time by watching television in his hotel room.

Ali also stayed out of the gym Tuesday, going to Washington to appear on Voice of America radio and entertaining a blushing Susan Ford at his hotel.

"If you knew Susan, the way I know Susan," Ali crooned as the face of the daughter of the President of the United States reddened. He then put his arm around Miss Ford's shoulders as someone shouted: "There goes the Southern vote."

"I hope the President doesn't lose the election now," said Ali.

"He should be training," Young said, when told Ali was not working out. "If he realized what he has in store for him, he'd train."

"I've even set time aside after I win to deal with my movie contract," said Young with a smile.

The fight is worth \$85,000 to Young, who five years ago earned some money by fighting three three-round exhibitions with Ali. His biggest previous purse was \$7,500, which he got for fighting Joe "King" Roman in Puerto Rico the night in February that Ali knocked out Jean-Pierre Cooman in five rounds.

Ali has said he was not impressed with the performance of Young, who scored a one-sided decision. "It wasn't my best fight," said Young. "I hope he's not judging that fight with this fight."

Young turned pro in 1969 but has had only 23 fights. His record is 17-4-2, with only five knockouts. He has been knocked out once, in one round by Earnie Shavers on Feb. 19, 1973. Since then he is unbeaten in 11 fights, including a 10-round draw with Shavers.

The fight that started Young on the road to a title shot came Feb. 11, 1975, when he outpointed Ron Lyle.

has had only 23 fights. His record is 17-4-2, with only five knockouts. He has been knocked out once, in one round by Earnie Shavers on Feb. 19, 1973. Since then he is unbeaten in 11 fights, including a 10-round draw with Shavers.

# Racer Women Netters Close Successful Year

The Murray State women's tennis team ended their regular season play yesterday with a 9-0 smashing of Austin Peay.

Posting a 19-2 final season record, the women netters won all six singles and all three doubles matches without the services of their top three players.

Taking over the number one singles position for the day, Anne Riss defeated Mary Covington 6-3, 3-6, 6-3.

All other matches were won in straight sets with number two Lynn Martin defeating Julie Carlson 6-2, 6-0; No. 3 Margaret May def. Sheila Cook; No. 4 Leanne Owen def. Dab Hadley 6-1, 6-1; No. 5 Linda Spellman def. Laura Glimm 6-0, 6-1; No. 6 Helen Below def. Sue Witzoftsky 6-1, 6-1.

In the doubles action, Riss and Martin teamed to take the number one doubles position defeating Covington and Carlson 6-0, 6-4. No. 2 Owen-Spellman def. Cook-Glimm 6-0, 6-2; No. 3 Sullivan-Below def. Witzoftsky-Hadley 6-3, 6-6.

The women netters lost only two matches in the 1975-76 season, losing in the fall to the University of Kentucky and to state power Western Kentucky University.

This spring, the women's squad, coached by Nita Head, avenged their loss to the Hilltoppers by winning the University of Tennessee-Martin Invitational Tennis Tournament. The Murray team won by one point over Western.

Three members of the Murray tennis team have been selected to participate in the regional tennis tournament to be held in Chattanooga, Tennessee, later in May.

Number one singles player Karen Weis, along with number two and three players Sindy and Sandy Macovik, qualified for this event.

Western Kentucky and University of Kentucky also have three players that will be participating in this event.

Coach Head will have her entire squad back next season, losing none to graduation.

# Lakers Split Pair Of Games With Wildcats

Calloway County split a doubleheader with Farmington Tuesday on the Laker diamond.

In the opening contest, righthander Dickie Nesbitt gave up a lone hit in pitching the Lakers to a 5-1 victory over the Wildcats.

In the second game, in which Farmington was the home team, the Wildcats won their first game in many moons as they edged the Lakers 7-6.

Farmington's only run off Nesbitt came in the first inning of the opening game as the Lakers committed two errors. In the fourth, Wagoner had a single up the middle for the only hit off Nesbitt.

Calloway posted three runs on the board in the home half of the first as Danny Rogers and Fly Beane both reached on errors. Rogers scored on a groundout by Tommy Chavis, Terry Gibson singled in Beane and Gibson later scored on a sacrifice fly by Nathan Knott, giving the Lakers a 3-1 edge.

In the third inning, Tommy Chavis hit his second homerun of this week, a two-run shot over the fence in left and Calloway posted the final score of 5-1 on the board.

Nesbitt fanned five men and walked only three in going the route.

In the second contest, the Lakers played a poor defensive game and as a result, lost 7-6.

Fly Beane went the distance on the mound for the Lakers and did not give up any earned runs.

Trailing 2-0 going into the Scrambles Tournery Held At Oaks Club

Forty-six hardy souls braved the rain and temperatures in the forties Sunday afternoon at the Oaks first scramble tournament of the year. Three teams tied for first with scores of 67 and two other teams shot a 68.

Those teams shooting 67 included: Jimmy Lamb, Jerry Hopkins, Laura Parker, and Gary and Martha Covey on the eventual winning team; J.P. Parker, Stan Hargrove, Terry Turner, and Clyde Roberts made up the team finishing second; and Donnie Cothran, Bill Bogard, Dalton Noel, David Livers, and Sandy Coleman were on the third place team.

The teams shooting 68 consisted of Jim White, Mike Morgan, Billy Dan Crouse, Jr. Story, and Karen Hargrove on the team which won fourth place, and Homer Branch, Clayton Hargrove, Della Boggess, and Mike and Cathy Lyons on the fifth place team.

The low handicappers on each team played the ties off. Jimmy Lamb won first for his team by parring the first hole. J. P. Parker won second for his team by parring the third hole to beat Donnie Cothran whose team finished third. Jim White won fourth place for his team by parring the first hole as Homer Branch's putt lipped out leaving his team in fifth place.

top of the third, the Lakers erupted for five runs to go in front 5-2. Knott had a two-run double, Danny Rogers a one-run double and Barry Joseph a two-run homer to account for the runs.

But in the last of the third, Farmington scored five times on one hit, two walks and three Laker errors and the Wildcats led 7-5.

The Lakers' final run came in the fourth as Beane led off with a double and later scored when Knott reached on an error.

In the top of the fifth, with one out, Craig Rogers reached on a walk and Kenneth McCutcheon followed with a single. McCutcheon stole second and the tying and go-ahead runs were at second and third with only one out.

But Beane popped up to the catcher and Chavis grounded out to short to end the game. McCutcheon and Knott each

had two hits in the game while Beane, Danny Rogers and Joseph added a hit apiece.

With the split, the Lakers stand at 5-7 for the season and will host Murray High at 4 p.m. today.

## Marathoners Compete In Derby Event

A large contingent of Murray Marathoners, all from Murray State University, participated in the Third Kentucky Derby Festival Mini-Marathon at Louisville Monday.

The annual event saw well over 600 runners of all ages begin the long 13-mile run at 11:00 a.m. in Iroquois Park.

Approximately 550 completed the chilly trek at the crowded downtown pavillion during and after the noon hour.

Gordy Benfield, a former stand-out MSU miler (4:07), led the local runners by finishing 65th overall in the time of 1:23.02.

For the second year in a row Dr. Adam B. Lanning, of the department of sociology and anthropology, finished first in his age-group division (45-50) in the time of 1:25:20. His overall finishing place was 105th.

Seven members of the MSU women's track team finished in the following order (places correct, times approximate): Camille Baker, 160th, 1:33; Jewel Hayes, 362nd, 1:40; Carol Schaeffer, 365th, 1:40:05.

Kathy Schaeffer, Ann Moore, Sandy Sims and Martha Luckett finished together (445-448th) in the low 1:50's.

Patty Eaner, a former MSU women's track team member and current senior art major, followed closely behind in 460th place in the time of 1:57.

For perspective, Harvey Sloane, the physician-mayor and ardent running advocate, finished in 184th place.

## Won't Watch Horse

LOOKING AHEAD — Chris Kurz anxiously looks ahead down the track toward the finish line as he participates in the grueling 120-high hurdles. Kurz finished second with a time of 17.3.

(Ledger & Times Photos)

## Tiger Boys Tie Trigg County In Dual Meet

The Murray High boys' track team opened their home season by finishing in a 68-68 tie with Trigg County in a dual track meet held Tuesday.

It all came down to the final event of the day, the mile-relay and the Tigers came through with a win to tie the final score. Murray recorded a 3:50 with Todd Harrison, Grettis Bumphis, Chris Kurz

and Donnie Williams running the legs.

In the field events, the Tigers had a sweep in the shot put with Tim Lane taking first in 44-8 1/2, Tony Boone second with a 44-8 1/4 and David Stephenson third with a 42-2 1/2.

Richie Richardson won the high jump with a 5-10 while Kurz was third with 5-8. Bill McHugh took second in the

pole vault with a 10-6 while in the triple jump, Mike Skinner won with a 38-3 and Richardson was third with a 35-8.

Lane scored a double win by taking first in the discus with a throw of 119-3 1/2 while Boone took third with 97-11 1/2. In the long jump, Skinner went 20-3 for second while Gary Moore placed third with an effort of 18-8.

In this sprint races, Lem Blanton was third in the 100-yard dash with a 10.5 while in the 220, Randy Orr's 24.1 earned a third. In the quarter, Harrison was second with a 55.0 while Bumphis was third in 56.5.

Bill McHugh won the 880-yard run with a 2:15 while Donnie Williams placed third with a 2:22.4.

In the mile-run, Dewey Siegler won with a 4:55 and returned in the two-mile to make it a double with a winning time of 10:57.

In the hurdling events, Chris Kurz placed second in the 120-highs with a 17.3 while Gary Moore was third. In the 180-lows, Craig Johnson was second with a 23.4.

The Tiger 880-relay team recorded an outstanding 1:35.4 but had to settle for second.

The mile-relay team of Harrison, Bumphis, Kurz and Williams won with a 3:50.

On Saturday, the Tigers will be participating in the first annual Murray State Invitational at Stewart Stadium.

UP AND OVER — Bill McHugh of the Murray High track team goes up and over the bar in the Tigers' dual meet against Trigg County Tuesday. McHugh cleared 10-6 to take second place.

## Suns Wrap Up Series, Mop Sonics Off Floor

PHOENIX (AP) — "It was definitely one of our better games," said Coach John MacLeod, in an understatement, after Phoenix' 123-112 victory over Seattle that enabled the Suns to capture their best-of-seven National Basketball Association Western Conference semifinal playoff series 4-2.

"I thought we played good solid team ball and did a much better job on the boards," added MacLeod Tuesday night. "Now we're going to take the playoff against either Golden State or Detroit one game at a time."

Golden State and Detroit have two victories apiece going into Game Five of their playoff tonight in Oakland.

Keith Erickson came off the bench to lead the Suns with 20 points and was followed by Paul Westphal, Ricky Sobers and Gar Heard with 18 each.

Bruce Seals and Slick Watts led the Sonics with 24 points each while Tom Burleson and Fred Brown had 22 apiece.

"They just outplayed us," said Seattle Coach Bill Russell. "They played consistent ball throughout the playoff. They were just playing better."

The victory assures Phoenix of its best season in the eight-

year history of the franchise, besting the 1969-70 record when the Suns lost to the Los Angeles Lakers in a seven-game playoff.

Shooting 61 per cent from the floor in the first quarter, the Suns built an 11-point lead with 2:31 to go before Seattle narrowed it to 25-23 at the horn.

The Suns stretched it out by 14 points in the second quarter and ended the half with a 60-50 advantage. Phoenix shot 59 per cent to 46 for Seattle and outscored the Sonics 35-27 in the quarter.

Westphal led the way to intermission with 14 Suns' points while Bruce Seals had 12 for the Sonics.

Two other NBA playoff series resume tonight. The Boston Celtics, leading 2-1, go against the Buffalo Braves in Buffalo, while the Detroit Pistons and Golden State Warriors, tied 2-2, square off in Oakland.

The remaining quarter-final series will be resolved Thursday night, when a record crowd of more than 21,000 will jam the Coliseum in Richfield, Ohio, to watch the Washington Bullets meet the Cleveland Cavaliers in the seventh game of their hard-fought series.

Sparkplug Ernie DiGregorio of Buffalo and veteran captain John Havlicek of Boston were the focus of much pre-game speculation in Buffalo. DiGregorio ignited the Braves to their only victory of the series, a 98-93 decision in Game Three Sunday, and there was speculation he may regain the berth in the starting lineup he lost early in the

season.

Braves' Coach Jack Ramsay was not saying.

Havlicek suffered a torn muscle in the arch of his left foot in the series opener and sat out the other two games. He said the foot had improved considerably, but it is still questionable whether he'll be able to play tonight.

Detroit has been the surprise of the NBA playoffs, and Golden State Coach Al Attles is wary.

"I expect their guys to be emotionally high," he said. "None of the experts expected them to get this far, and now they've got a shot at it."

## Murray High Netters Record Two Victories

The Murray High boys' and girls' tennis teams picked up wins Tuesday afternoon on the Tiger Tennis Complex.

Using an entirely different format, Murray High won 8-1 over Marshall County.

These singles matches were played for both the boys and girls and three mixed doubles matches were held.

In the boys' singles, Murray High had a sweep. Kim Trevathan won his number one match 8-4 over Steve Heidorn while at number two, Brad Boone won 8-5 over Doug Hensley. At the number three spot, Kevin Ray won 8-4 over Ronnie Gibson.

Candy Jackson won her number one singles match 8-5 over Lisa Overby while at

Two former Murray State University athletes, John Hackney and Tommy Turner, and a former coach, Harlan Hodges, have been named to the MSU Athletic Hall of Fame. The three will be honored at the Murray State All-Sports Banquet, tonight.

Hackney played football on some of Murray's greatest teams in the late 1940's. Turner is perhaps the best track athlete ever to perform in the Ohio Valley Conference. Hodges coached basketball from 1948-1954.

Hackney, who grew up in Hopkinsville and played high school football at Hopkinsville High School, was named to the All-Ohio Valley Conference teams of 1948 and 1949. During his sophomore season, 1947, before the OVC began operation, he was named to the All-Kentucky Inter-collegiate Athletic Conference team. Murray was OVC champion in 1948 and played in the Tangerine Bowl, tying Sul Ross College 21-21. The Racers were KAC champions in 1947.

A rangy, 6-3, 195-pound defensive tackle, Hackney was described in the '49 Racer Pressbook as "without a doubt the toughest piece of humanity that ever put on a football uniform. . . to spot John on a field during a game, just look where the action is thickest — that big kid with the rolled-up sleeves, right in the middle of it, is Hackney."

Hackney spent much of his playing time in opponents' backfields and it was he who made the tackle in the end zone that gave Murray a 9-7

## Vanatta To Be Speaker At Banquet

Bob Vanatta, new commissioner of the Ohio Valley Conference, will be the featured speaker at the Murray State University All-Sports Banquet tonight.

The banquet, which honors all varsity athletes at Murray during the 1975-76 school year, will begin at 5:30 p. m. in the Waterfield Student Union.

Other highlights of the banquet will be the induction of new Athletic Hall of Fame members and the presentation of awards to individual athletes. Three new Hall of Fame members, John Hackney, Tommy Turner, and Coach Harlan Hodges, will be inducted by MSU President Constantine W. Curris.

Hackney played football on some of Murray's finest teams in the late 1940's. Turner is perhaps the best trackman ever to run in the OVC. Hodges coached the Racers to regular-season and tournament OVC Championships in 1951.

Individual awards to be presented include "Most Valuable Player" in each varsity sport; male "Scholar-Athlete of the Year," female "Scholar-Athlete of the Year," "Freshman Athlete of the Year," female "Freshman Athlete of the Year," "Male Athlete of the Year," and "Female Athlete of the Year."

Banquet To Begin At 5:30 p.m. Tonight

# Hackney, Hodges And Turner To Enter MSU Hall of Fame

victory over Evansville in the brawling "Battle of Calloway County" in 1948 and sent Murray to the Tangerine Bowl. The 1948 team was 9-1-1, losing only to Eastern Kentucky 6-0. The 1947 team was 6-3. The 1946 Racers lost five of its first six games but won its last four, the finals a 55-6 battering of Western Kentucky.

Hackney now lives in Paducah and works for the Atomic Energy Commission.

When Turner won the 600-yard dash in the NCAA Indoor Track Championships in 1970, he became the first OVC athlete and the only Murray State athlete to win an NCAA title. Turner was named to the All-America track team six times, three times in the in-

door 600, twice in the 400-yard dash, and once as a member of the MSU mile relay team.

Turner won the 440-yard dash in the OVC Championships four times and the 220-yard dash three times. He was the OVC's Track Man of the Year in 1971. He still holds the conference record in the 440-yard dash at 46.4. His MSU record in that event, 45.4, has never been approached. He was also a member of both the 440 and mile relay teams that hold Murray records of 40.6 and 3:06.3, respectively.

Turner was selected four times to the United States team to compete against the Russian team. He placed in three of the meets but was injured during warm-ups in the fourth and couldn't participate.

He was a member of the United States team in the last Olympic Games in Munich.

A native of St. Louis, Turner coaches track at Murray High School.

Hodges won 109 games and lost 65 during his six seasons as Murray's basketball coach. His 1950-51 team was both regular-season and tournament champion of the OVC. That team compiled a 21-6 record and was ranked 16th in the final Associated Press poll. His 1951-52 team was runner-up in the National NAIB Tournament. Two players from that team, Garrett Beshear and Bennie Purcell were named to the All-NAIB Team. Those two, plus Howie Crittenden, whom

Hodges coached later, are being joined by their coach in the MSU Hall of Fame.

Hodges coined the nickname "Racers" for Murray teams which are also called Thoroughbreds and 'Breds.

Hodges left Murray in 1954 for a five-year coaching stint at the University of Idaho. After leaving there, he was superintendent of the Anna-Jonesboro Community High School in Anna, Ill., for five years. He returned to Murray in 1964 as a teacher in the education department, a position he held until his retirement in 1973.

He interrupted his retirement last August when he became a teacher of science at Mt. Saint Joseph Academy at Owensboro.

## AUTO SERVICE

For More Good Years In Your Car

Oil & Lube  
**\$4.88** Up to 5 qts. of major brand 10/30 grade oil.

- Complete chassis lubrication, oil change
- Helps ensure long wearing parts & smooth, quiet performance

- Please phone for appointment
- Includes light trucks

### Front-End Alignment

**\$11.88** Any U.S. made car — parts extra if needed. Excludes front-wheel drive cars.

- Complete analysis and alignment correction — to increase tire mileage and improve steering safety
- Precision equipment, used by experienced mechanics, helps ensure a precision alignment.

### Engine Tune-Up

**\$36.88** Add \$4 for 8 cyl., \$2 for air cond. 6 cyl.

- Our mechanics electronically fine-tune your engine
- New points, plugs & condenser
- Test charging/starting systems, adjust carburetor
- Helps maintain a smooth running engine
- Includes Datsun, Toyota, VW & light trucks.

### Brakes — Your Choice

**\$40.88** Additional parts extra if needed.

- 2-Wheel Front Disc: Install new front disc brake pads • Repack and inspect front wheel bearings • Inspect hydraulic system and rotors (does not include rear wheels)
- OR
- 4-Wheel Drum-Type: Install new brake linings all four wheels • Repack front wheel bearings • Inspect brake hydraulic system, add fluid.

E-T IV Mag Wheels **\$19.99** each 13x5.5

- Deep dished, slotted styling
- Brilliantly polished for a great look

# Tigers Up To 9-4 On Season, Nip Ballard

Murray High ran its season record to 9-4 by winning a 5-4 contest in Holland Stadium Tuesday night over Ballard Memorial.

A standout relief effort by sophomore righthander Bob Thurman saved the game for the Tigers and starter Joe Graves.

Graves, who was touched for four runs in the fifth inning, fanned the first man up in the seventh but the batter reached first on a passed ball.

Graves then walked the next man and Tiger coach Charles Archer went to the bullpen. Thurman fanned the first man

he faced for out number one of the inning then wild pitched the runners to second and third.

But when the going got tough, the tough got going, as the old saying goes.

Thurman reached back and fired heat to fan the next two Ballard batters to pick up the save and give the Tigers the victory.

All five Tiger runs came in the third inning.

Lindsey Hudspeth opened the frame with a single and went to second on a bad pickoff attempt. Thurman reached on an error to score

the first-run of the contest then Bo McDougal smacked a two-run homer, his second of the season, and the Tigers led 3-0.

Jeff Oakley later added an RBI single and Bill Wilson had an RBI on a groundout.

Three walks, an error and two singles allowed the Bombers their four runs in the fifth inning.

Graves worked six innings and gave up only two earned runs on three hits while fanning eight, walking five and hitting one.

Hudspeth had two hits for the Tigers while McDougal, Tony Thurmond, Oakley, Wilson and Graves added a hit apiece.

The Tigers play at Calloway County today in a 4 p.m. contest and will visit Mayfield Thursday.

On Friday, the Tigers play Camden at 1 p.m. at the Fish Fry Tournament at Henry County.

## Laker Girls Race To Victory In Triangular

The Calloway County girls' track team easily captured first place in a home triangular meet Tuesday afternoon.

The Laker girls rolled up 84 points while Marshall County was second with 49 and Riedland a distance third with only 18 points.

The Lakers had only one win in the field events. That came in the long jump where Felicia Pinner captured first with an effort of 15-1. In the same event, Sherry Snyder took second with a 12-5.

Donna Smith was second in the high jump with a 4-4 while Renee Ahart's 4-0 earned a fourth. In the shot put, Kim Kemp took a fourth with a throw of 27-4½ while in the discus, Melessa Thorn was third with 85-0½ while Kemp was fourth with 84-1½.

The Lakers won all the relays.

In the 440-relay, the Lakers recorded a 53.8 to win with Clara Cole, Diana Lawrence, Ellen Mahan and Pinner running the legs. In the 880-relay, the Lakers had a 1:56.2 for first with Cole, Lawrence, Rose Ross and Mahan doing the running.

The 880-medley relay found

the Lakers winning in 2:05.4 with Cole, Lawrence, Ahart and Mahan running the legs while the mile-relay team of Lisa Conner, Lawrence, Mahan and Ross took first in 4:48.

In the sprint races, Clara Cole won the 100-yard dash with a 12.1 while Pinner easily won the 220 with a 26.4 while Charlotte Coursey was fourth in 31.0.

Pinner also scored an easy victory in the quarter-mile with a clocking of 63.9 while Coursey was third with 74.2. In the 880-yard run, Renee Overby was first in 2:55.7 while Teri Morris was fourth in 3:05.

Calloway swept the first three places in the mile-run with Lisa Carraway taking first in 6:25.3, Overby second in 6:34.7 and Morris third in 6:38.1.

Rose Ross had two victories in the hurdling events.

In the 60-yard low hurdles, Ross was first in 9.5 while Snyder was second with 10.0. In the 110-high hurdles, Ross won with a 17.3 while Snyder's 17.9 took second.

The Lakers' next meet will be next Tuesday at Murray High.

runnerup, 96-26 in a dual meet held on the Tiger track Tuesday.

Murray took first in every event with the exception of the 880-yard run.

The Tigers scored a sweep in the discus with Debbie Payne winning with a throw of 73-3½ while Gretta Timmerman was second with 58-11½ and Karen Thompson third with a 58-9.

Jaina Washer won the long jump with a 13-11 while in the shot put, Payne took first with a 27-11 and Jennifer Darnell earned a third with 22-0½. Stacy Overby won the high jump with 4-3 and Brook Dickson was second with the same height.

Betsy Gore won both hurdling events. In the 60-yard hurdles, Gore led a Tiger sweep by winning in 9.9 while Stacy Overby was second in 10.1 and Washer third in 11.1. In the 110-yard hurdles, Gore won with a time of 18.2.

Brenda Adams took first in the 100-yard dash with a 12.5 while Washer was second with a 12.7. In the 220, Althea Parham was first in 30.3 while in the 440, Barbara Campbell won in 68.6 and Krista Russell took second in 72.6.

DeLaine Honchul took second in the 880-yard run with a 3:13 while Carol Montgomery took third in 3:32.1. Montgomery came back to win the mile-run with a 7:26.2 while Dana Siegler was second, just .2 second off the winning pace.

Murray won all the relays. The 440-yard relay team of Parham, Adams, Darnell and Campbell took first in 56.5 while the 880-relay team of Parham, Adams, Darnell and Washer won with a 1:59.6. The 880-medley team of Darnell, Washer, Parham and Campbell took first in 2:09.6 while the mile-relay team of Mary Ann Kurz, Lisa Francis, Russell and Campbell won with a 5:21.5.

The next meet for the Tigers will be at home next Tuesday against Calloway County.

# MURRAY LEDGER & TIMES SPORTS

## Calloway Boys Place Second In Triangular

The Calloway County boys' track team took second in a triangular meet held Tuesday at Calloway County High School.

Marshall County won the meet with 73½ points while the Lakers were second with 62½ and Reidland third with only 33 points.

The Lakers had one victory in the field events. David Williams went 18-2 to win the long jump.

In other field events: Terry Clark's 114-11 took second in the discus, Kerry Wyatt's 38-7 earned a fourth in the shot put, Tommy Futrell's 34-6 took second in the triple jump, Reggie Ballard went 5-10 to take second in the high jump and Kevin Scruggs cleared 8-6 to take second in the pole vault.

In the sprint races, Keith Wallace was second in the 100-yard dash with an 11.4 while Reggie Ballard was fourth with 11.7. In the 220, Ballard was runnerup with 24.5 while Wallace was fourth with a

25.0. Troy Garland had a 58.0 for second in the 440 while Larry Cunningham was third with a 62.0.

Tommy Futrell took second in the mile-run with a 4:59 while Randy McCallon was third with a 5:09 and in the 880, Futrell was second with a 2:11 and McCallon fourth with a 2:23.

In the two-mile run, McCallon won with 11:50 while Ricky Cunningham placed second with a 12:26. In the hurdling events, Gary Henson was second in the 180-lows with a 22.4 while in the 120-highs, Henson was fourth with an 18.8.

The Laker 880-relay team was first in 1:42.2 with Ballard, Wallace, Adams and Williams running legs while the mile-relay team was second in 3:56. Adams, Wallace, Garland and Larry Cunningham ran the legs.

The next meet for the Laker boys will be Saturday at the Mayfield Invitational.

By HERSCHEL NISSESON  
AP Sports Writer

As far as the San Francisco Giants are concerned, Lynn McGlothen's suspension didn't last long enough.

Returning from a five-day suspension for last week's beanball incident with the New York Mets, McGlothen was nicked for 10 hits but only one run in pitching the St. Louis Cardinals to a 7-1 victory over the Giants Tuesday night.

His audience included National League President Chub Feeney — the league offices are in San Francisco — who meted out the suspension that delayed McGlothen's scheduled start by two days after the pitcher admitted throwing at New York's Del Unser.

In other games, the Los Angeles Dodgers downed the Pittsburgh Pirates 5-3, the Cincinnati Reds trimmed the Philadelphia Phillies 7-3, the New York Mets nipped the Atlanta Braves 6-5 and the Chicago Cubs defeated the San Diego Padres 4-2.

McGlothen fell behind on Von Joshua's leadoff triple and Derrel Thomas' single in the first inning. But the Cardinals bounced back with

four in the second off John D'Acquisto, who was wild. St. Louis collected two hits and five walks in the rally.

A walk to Reggie Smith, Willie Crawford's double and Keith Hernandez' infield single made it 1-1 and Crawford scored the go-ahead run on Hector Cruz' sacrifice fly. Lee Richard's bases-loaded walk and Don Kessinger's sacrifice fly capped the rally.

**Dodgers 5, Pirates 3**  
Doug Rahn, with last-out help from Charlie Hough, hurled his ninth straight victory over two seasons. The Dodgers, who have won four straight and six of eight, jumped on Bruce Kison for three runs in the third inning with the help of an error by catcher Manny Sanguillen and added two more in the fourth.

Ted Sizemore, who had three of the Dodgers' nine hits, Steve Garvey and Ron Cey drove in runs in the third inning.

**Reds 7, Phillies 3**  
Cincinnati pounded Tom Underwood for five runs in the first inning, two on Johnny Bench's double. When the Reds added two runs in the second inning the game became a breeze for Jack

Billingham, who scattered eight hits until giving way to Will McEnaney in the eighth.

Pete Rose led off the first with a single. After Dave Concepcion struck out, George Foster and Tony Perez singled for the first run. Bench's double drove in two more, Bob Bailey singled to score Bench and Joel Youngblood tripled to score Bailey.

**Mets 6, Braves 5**  
Rookie Bruce Boicclair drilled a two-run, two-out double off reliever Pablo Torrealba in the ninth inning to cap a three-run rally. Dave Kingman, who hit his eighth homer of the season in the seventh inning, singled to lead off the ninth and one out later Jerry Grote legged out an infield single. With two out, John Milner delivered a run-scoring pinch single and Boicclair doubled to knock in the tying and winning runs.

**Cubs 4, Padres 2**  
Manny Trillo drove in two runs with a single and a sacrifice fly while Ray Burris picked up the win with eighth-inning help from Oscar Zamora and Buddy Schultz. Burris allowed five hits, including a second-inning homer by Hector Torres.

# Hearings Completed On New Banking Operations

FRANKFORT, Ky. (AP) — The Kentucky Banking and Securities Department has completed hearings on applications by two groups to begin new banking operations in Hopkinsville.

John Williams, state banking and securities commissioner, said Tuesday the department will render a decision on the applications after May 17.

Two University of Kentucky economics professors disagreed in the hearings over which applicant would be most likely to succeed in the Christian County seat.

Dr. Stuart Greenbaum said he favored a proposed new Pennyryle Citizens Bank, while Dr. Randolph McGee said he recommended allowing the Peoples Bank of Pembroke to move its main office to Hopkinsville and make its existing Pembroke office a branch bank.

Tuesday's testimony wrapped up the two-day hearing before Lee Langston, banking department general counsel, on the applications by the Pembroke bank and the group seeking to open the Pennyryle Citizens Bank.

Each opposes the other's application, and each application is also opposed by Hopkinsville's two existing banks—First City Bank & Trust Co. and Planters Bank &

Trust Co. A group applying to the U.S. government for a charter to open a national bank in Hopkinsville is also opposing both applications.

Greenbaum and McGee agreed that either bank could probably be profitable after its second year in Hopkin-

sville. Greenbaum said "robust" growth in the population and economy have made the Hopkinsville area "ripe" for expansion of banking facilities.

He argued that a new bank should bring entirely new and more competitive

management into the community, and said the proposed Pembroke bank move would not do.

He said the Pennyryle bank would be committed to offering services not now available at other Christian County banks—such as free checking, Saturday banking,

maximum interest on savings and simple interest on consumer loans.

McGee, however, said permitting the Pennyryle bank to open would "very clearly damage the competitive position" of the Pembroke bank.

He said the Pembroke

bank's proposal should be approved because it has established customers in Christian County and a stable profit base from which to operate. He said it would have a better chance than the Pennyryle bank to be profitable after its first year.

James Givens, a Hopkinsville real estate developer, said the Pennyryle bank's proposed location on the south side of town would put the bank within 1,000 yards of businesses with \$75 million annually in retail sales.

The Pembroke bank, which proposes to move into downtown Hopkinsville, would be locating far from the commercial and industrial growth of the city, Givens said.

E.G. Adams, a former state banking commissioner who will head the Pennyryle bank if its application is approved, said the proposed bank's services, wide distribution of its stock ownership and its "most viable group" of incorporators convinced him to return to Hopkinsville from his current position as chairman of the board of the Sedalia, Mo., Mercantile Bank.

## Sailors To Stand Trial

LOUISVILLE, Ky. (AP) — Two Navy sailors go on trial June 16 in Louisville on charges in connection with damage to 23 Jefferson County school buses on the nights of March 6 and March 7.

Police said some \$7,500 worth of damage was done to the buses parked at Dawson Education Center on Preston Highway.

Charged are Karl Wayne White of Pasadena, Tex., and Lee Vincent McLaughlin of Boise, Idaho.

## Royster To Begin Work

FRANKFORT, Ky. (AP) — Former Covington City Manager Paul Royster begins work May 10 as city manager of Frankfort. He is the eighth city manager in the state capital in 11 years.

The Frankfort City Commission's vote Monday night to employ the 47 year-old Royster for the \$22,000-a-year job was unanimous. Royster was chosen from among eight applicants.

## Miners Vote To Return To Work

JACKSON, Ky. (AP) — Miners have voted to return to work at Falcon Coal Co. in Breathitt County but truck drivers are still on strike against the company.

Falcon officials said production employees voted Tuesday to end a strike over disciplinary policies by some 450 persons. That walkout began April 12.

But a company spokesman said the Breathitt County Truckers Association members, who walked out April 23 in a contract dispute with Falcon, are still off the job.

## ULAB Votes Not To Stage March

LOUISVILLE, Ky. (AP) — Union Labor Against Busing, which tried and failed to obtain permits for Kentucky Derby Day antibusing marches, voted last week not to stage a march. But some officials believe some protestors will try to demonstrate anyway on Saturday.

"Based on the information we have received from some of the antibusing meetings, we feel some of these people will try to march," said Louisville Police Chief John Nevin.

Nevin said Tuesday that security will be stepped up during Saturday's 102nd Run for the Roses. He said the 780 men and women of the city police force all will be on duty Derby day, including an enlarged reserve force of 80. He said riot gear will be available.

Listening Device Will Help You Enjoy Your Favorite Radio-TV Programs  
A new, easy to wear, hearing device is now being offered free of cost to people with faded hearing by Guy's Hearing Aid Center, dealer for Miracle Ear Hearing Aids. It will help greatly reduce the strain of listening to your radio and TV programs. The marvelous little electronic device, while not a hearing aid, has proven to be a great blessing to those with impaired hearing, and helpful to all those around them.

Hardly a day goes by that we are not thanked for the amazing help derived from this tiny device. Do you have trouble hearing in church or when two or more people are present? Do you hear the sound but fail to understand the words? Are you bothered by so-called mumblers? Just pick up the phone and dial 502-474-8847, giving your name and address. Or write Guy's Hearing Aid Center, Route 5, Benton. It will cost you nothing to have this new electronic device sent to you without obligation. It may help you as it has helped so many others.

Please, for people with hearing problems. Only one to a family.

## International Correspondents To Visit West Kentucky

Twenty-five international correspondents and their families will be visiting western Kentucky on May 2, according to Karen Cissell, Kentucky's Western Waterland.

The writers are taking part in one of eight separate tours of the United States as part of a program called "Caravan America." All together, two

hundred foreign journalists from countries on every continent of the world will be exploring the wonders of America as guests of the program, which is sponsored by the Wally Byam Foundation.

The writers and their families, who are traveling across the United States in Airstream campers, will be

staying at Holiday Hills Camping Resort on Lake Barkley.

Kentucky's Western Waterland, the regional tourism promotion organization, has organized entertainment and accommodations for the foreign guests. A hospitality hour and fish fry are planned May 2, at Eddy Creek Port on Lake

Barkley. The journalists will also be given a briefing on the area and presented with packets of information about the lakes region.

Tours of this nature, according to Mrs. Cissell, provide invaluable publicity for the area through features and stories about local tourism attractions. "This tour is especially exciting because it involves international journalists representing some of the most respected news media in the world," she said.

Plans are also being made to provide a morning tour for those correspondents who would like to become more familiar with the attractions of the region.

Also assisting in hosting the foreign journalists will be Land Between The Lakes, Paducah Tourist Commission, Marshall County Chamber of Commerce, and Lyon County Chamber of Commerce.

## Middle School Students Will Attend Tourney

Students from Murray Middle School will attend a Scholastic Tournament for grades seven and eight on Saturday, May 8, sponsored by Hopkinsville Middle Schools. Nine schools are participating in the day long event. The teams from Murray Middle School are made up of the following students who were chosen on the basis of achievement test scores and teacher recommendations:

Math - Elizabeth Stout, Kayne Beasley, seventh grade; Tim Miller, Dean Hainsworth, eighth grade  
English - Deborah Moffitt, Janis Lents, seventh grade; Mark Ferguson, Allison Wallace, eighth grade  
Science - Joel Klein, Greg Morton, seventh grade; Amy Noffsinger, Brian Gray, eighth grade  
Social Studies - Randy Wilson, Susan Lindauer, seventh grade; Brent Boston, Chris Hutson, eighth grade  
Reading and Spelling - Wayne Jackson, Lewis

Bossing, seventh grade; Lynne Beatty, Doug Moore, eighth grade.

The tournament will consist of objective tests in each of the above-mentioned areas. Each student participating in the tournament will receive a certificate. Each student winner will be given a blue ribbon and the runner up a red ribbon. The school with the winning team will win a team championship trophy.

The Murray Middle School team will be accompanied by Richard Farrell, Lee Hook, and Ms. Doralyn Lanier, teachers at Murray Middle School.

Other school districts participating in the tournament include New Providence, Tenn.; Ft. Campbell Dependent Schools, Ft. Campbell, Ky.; Christian County Middle Schools, Trigg County Schools, Murray Independent Schools, Calloway County Schools, Russellville Schools, Hopkinsville Middle School, University Heights Academy.

Murray Middle School Students who will participate in a Scholastic Tournament at Hopkinsville are, left to right, bottom row, Kayne Beasley, Amy Noffsinger, Janis Lents; second row, Elizabeth Stout, Susan Lindauer, Deborah Moffitt, Lynne Beatty; third row, Chris Hutson, Greg Morton, Wayne Jackson, Brent Boston; fourth row, Mark Ferguson, Brian Gray, Joel Klein, Randy Wilson; fifth row, Doug Moore, Dean Hainsworth, Tim Miller, and Lewis Bossing. Not pictured is Allison Wallace.

HONOR RECIPIENTS — Spencer H. Dulaney of Paducah and Yvette Watson Pyle of Murray Route 2 were awarded plaques as the outstanding senior in geology and the outstanding senior chemistry major respectively during the annual Honors Day Program on the Murray State University campus Sunday, April 25. Making the presentations is Dr. Pete Panzera, chairman of the Department of Chemistry and Geology. Mrs. Pyle, the daughter of Mr. and Mrs. Dwight L. Watson of Murray Route 2, was also recognized as one of the seniors listed in "Who's Who in American Universities and Colleges." Dulaney is the son of Mr. and Mrs. Octavus Dulaney of 1216 Sanders Ave. in Paducah and is married to the former Mary Stevens. They were among 185 students given individual recognition for academic excellence and leadership.

HONORED AT MURRAY STATE: Leslie Humphreys, son of Mrs. Anna Humphreys, 407 North 4th Street, Murray, was named philosophy student of the year at Murray State University April 25 at the University's annual Honors Day program. One of 185 students honored for individual academic and leadership achievement, he was presented with his award by Dr. Wayne Sheeks, chairman of the department, on the left.

LAMBDA CHI ALPHA WINS ALL-CAMPUS SING

The brothers of Lambda Chi Alpha, who reside at 1505 West Main Street, claimed a first place victory in the Greek fraternity division of All-Campus Sing. The annual event, sponsored by Sigma Alpha Iota music fraternity, was held on Wednesday, April 21. The colorful song-fest was held in the ballroom of the Waterfield Student Union Building on the campus of Murray State University.

Lambda Chi Alpha's winning selections were "I Believe," and "The Battle Hymn of the Republic." Directed by Danny Patterson and accompanied on the piano by the fraternity's Crescent Girl, Kathy Crow, the group began their rehearsals March 1 in order to prepare for the singing contest. They captured first place - the fifth time in as many years of competition. This succession of victories is unmatched in the history of All-Campus Sing.

Winning in the sorority division was Alpha Omicron Pi. Hester Hall and the Baptist Student Union were automatic winners in the Dorm and Independent divisions, respectively. Sigma Sigma Sigma Sorority won the award for the best poster. Chosen as the best director of All-Campus Sing was Jack Crook who directed Alpha Sigma Alpha Sorority. The judges for All-Campus Sing were Sheila Miller, Owensboro; Dean Dowdy, Madisonville; and Sharon Smith of Charleston, Missouri.

## Humidity Can Help Slow Fire

WASHINGTON (AP) — Keeping the humidity high in your house may not only be more comfortable, but it also could give you added minutes to escape in case of fire, a Harvard University physicist said today.

"The study of heat capacity effect of walls of a room suggest that the variation in the normal amounts of absorbed moisture can have an important influence on fire growth," said Dr. Howard W. Emmons.

The physicist, who has burned up several complete rooms to test the dynamics of fire, said increased moisture in walls boosts their heat capacity — the ability to absorb heat without a large rise in temperature.

Large heat capacity in walls therefore slows the rate of fire growth by temporarily holding temperatures down, Emmons said.

The added minutes before flames envelope the room can be enough to allow escape, he said.

Addressing a meeting of the American Physical Society, Emmons suggested adding moisture-absorbing chemicals to wallboard and other construction materials to increase their heat capacity.

Emmons said the United States has one of the world's worst fire-loss records although it has some of the best firefighting capability.

Fires annually cause about 12,000 deaths, 300,000 serious burn injuries and approximately \$3 billion in property damage, he said.

Emmons attributed the toll to Americans living in more flammable environments.

"We have a high living standard, with an array of appliances, materials and conveniences that are, collectively, potential fire sources," he said.

### ATLANTA GIFT TO OPERA

NEW YORK (AP) — The Atlanta Music Festival Association has given \$40,000 toward the settings for "Aida," which the Metropolitan Opera will present on tour this spring.

The Atlanta association is the sponsor of the Met's annual visit to the Georgia Capital.

## Hughes Cousin Asks For More Time To Search For A Will

LOS ANGELES (AP) — A cousin of the late Howard Hughes has asked for an additional four to five weeks to complete a worldwide search for the eccentric billionaire's will.

Documents filed in Los Angeles Superior Court

Monday by Richard C. Gano Jr. included a letter signed by Hughes March 3, 1938. The letter asked a Texas bank to place two envelopes — one reportedly containing the will, the other instructions — in safekeeping.

But Gano said that bank has since merged with another. So far, he said, only a safety deposit box key has been found, and what it opens, nobody knows.

The Los Angeles Times said it had learned from sources close to Hughes' business empire that many copies of the key had been made and are being widely circulated to banks in several states. The key was found, the report said, in an office here formerly used by Hughes that was locked until his death April 5.

Gano, 60, of Anaheim, Calif., is one of 12 first cousins of Hughes. He has been appointed administrator of Hughes' California properties. The entire Hughes estate is estimated to be worth more than \$2 billion.

Gano said he understood it was Hughes' intention to leave the bulk of his estate to medical research.

Annette Gano Lummis of Houston, the elderly aunt of

Hughes and Gano, earlier had been appointed temporary administrator of all the Hughes' holdings. She relinquished her claim to his personally held California property in a disclaimer filed Monday in conjunction with Gano's papers.

Los Angeles County Public Administrator Bruce Altman has filed a motion to remove Gano as special administrator. A hearing on the matter was scheduled for today before Superior Court Judge Neil Lake.

Gano said Altman's interference had hampered efforts to locate the will which Hughes' associates insist he left — somewhere.

Bank officials informed him it would take four to five weeks to canvass records in several states where Hughes could have left the will, Gano said.

"I am further informed," Gano continued, "that an exhaustive worldwide search of buildings, record storage areas, file rooms, vaults, aircraft hangars and other possible locations of evidence which would assist in the discovery of the whereabouts of such last will is continuing."

Rob W. Parker, Paducah, son of Mrs. Anna Parker and the late R. Don Parker of Murray, has been selected for promotion to chief warrant officer, Grade W-3, USNR-R. He has been a member of the Paducah Naval Reserve Unit since 1964 and has held many positions with the unit, presently serving as training officer, a billet he has served in for the past six years. He began his Naval Reserve career as petty officer 2-C and advanced to chief petty officer. He was selected for the warrant officer program and received his appointment in December 1969 and commissioned to W-2 Warrant in 1971. During active duty, Parker served with the Destroyer Forces Pacific Fleet during the Korean Conflict. Parker is a 1950 graduate of Murray Training School and is employed by Shawnee Steam Plant, Paducah. He has one daughter, Robin Anne Parker of Paducah, and one son, Michael Parker of Birmingham, Ala.

## More Women Live Longer

WASHINGTON (AP) — women live longer. But there are more women than males in America, and the females have a long way to go before pulling even with males

in jobs and education.

Such are the findings in one of the most comprehensive reports ever compiled on the status of American women.

The report, the first of its kind by the Census Bureau, shows demographic, social and economic trends among women.

It shows women comprise 51.3 per cent of the population of 213,137,000. There are 5.6 million more women than men. By 1973, women could expect to live an average of nearly eight years longer than men, compared with 3.5 years longer in 1930.

The figures show the number of women in the labor force nearly doubled between 1950 and 1974 to 35.9 million, while the number of men increased by only one-fourth to 27.3 million. But the income differences between men and women remain substantial — the median earnings for women were \$6,772 in 1974, compared with \$11,835 for men.

The report shows that among people ages 25 to 29, approximately 77 women had completed at least four years of college for every 100 men in 1975, compared with 66 women for every 100 men in 1950.

"Of course, the women's movement has had an impact," said Paula J. Schneider, who headed a group of census staffers to plan and coordinate the report. "But it's hard to say if

the movement was a cause or an effect. The movement was helped because lots of women had to work, and it encouraged women by publicizing the fact that the working woman was not alone."

Mrs. Schneider, who works in the bureau's population division, said that she hopes the women's movement will work to improve salaries for women and day care.

Other findings in the report show: —A growing proportion of women are single or divorced and not remarried. In 1975, almost 40 per cent of women ages 20 to 24 were single, compared with 28 per cent in 1950.

—The number of female-headed families has increased by 73 per cent since 1960 to 7.2 million. They now comprise 13 per cent of all families.

—Women have gone from a near-record high fertility rate in the late 1950s to an all-time low in recent years. Women under 30 are increasingly favoring the two-child family.

The report shows that one of the strongest indications of the changing social and economic role of women in the last two decades has been their entry into the labor force.

By 1974, there were 63 women for every 100 men in the labor force, compared with 41 women for every 100 men in 1950, the material shows.

At the same time, the report shows that in both 1970 and 1974, the median income of women college graduates age 25 and older who worked full-time was only 60 per cent of comparable male median incomes. The authors write that women college graduates had incomes that were, on the average, lower than men who had only a high school education.

MARSHALL TOUCHED OFF GOLD RUSH  
COLOMA, Calif. (AP) — It was James W. Marshall who picked up some yellow mineral he found in the trailraces of John Sutter's sawmill on the American River the morning of Jan. 24, 1848. The result was a gold rush.

Marshall, however, died a pauper, unable to establish a claim of his own to some of the gold-rich areas. He entered a series of bad business projects and went heavily into debt.

In 1890 the State Legislature built a monument to Marshall overlooking the spot where he found the gold.

The combined port of Long Beach and Los Angeles is the largest on the Pacific Coast.

## Bill That Would Reduce Unemployment Attacked

WASHINGTON (AP) — The Senate is studying a bill that would require the federal government to reduce unemployment to 3 per cent, but the measure is already being attacked by President Ford, who says it would cost too much money.

The bill, which Ford called "a vast election-year boondoggle," was introduced on Monday by Sen. Hubert H. Humphrey. It would require the unemployment rate to hit the 3 per cent mark within four years.

Sponsored principally by Humphrey and Rep. Augustus Hawkins, D-Calif., the bill would not require the federal government to create jobs until all resources of the private sector had been utilized and all other provisions of the act had been employed.

In explaining the bill before a Senate labor subcommittee earlier this month, Humphrey said the legislation is founded on the philosophy that "if people cannot obtain employment through any other means, it is better to give them a job funded by the government than it is to write those people a check to do nothing."

But Ford said he opposes the bill as too costly, calling it "a classic example of the way the misguided majority in recent congresses reacts. Anything that seems wrong with the economy, the federal government must rush in and fix, mainly by spending more billions of dollars."

Humphrey termed the President's attack "politically motivated" and called the bill "a serious and thoughtful attempt to provide good jobs for more Americans without inflation."

The bill would set up economic planning capacity in the White House, require anti-inflation policy-making and would establish a program to stabilize state and local governments during recessions.

But the centerpiece of the act is its philosophy that "work be substituted for welfare, unemployment compensation and income maintenance spending to the maximum extent possible."

To this end, provision is made for a range of employment programs, especially in depressed areas and among groups with special unemployment problems, such as the young.

Humphrey said cutting unemployment from today's 7.5 per cent to 3 per cent by 1980 would result in some \$500 billion more in economic production plus cutbacks in welfare and the federal deficit.

He said it is impossible to estimate accurately precise costs of the plan because they will depend on the strength of economic recovery, the rate of growth in the labor force and the specific design of the job creation programs. But he said even with the type of moderate economic recovery seen by the administration, two million to three million persons still would be jobless between now and 1980.

### FILM FESTIVAL

NEW YORK (AP) — Metro-Goldwyn-Mayer says "That's Entertainment, Part 2" has been named to open the 30th annual Cannes International Film Festival May 13.

MGM said the film, an encore of "That's Entertainment!" spotlighted top MGM movies of the past.

### STRAWBERRY NUT SHORTCAKE

- |                        |                               |
|------------------------|-------------------------------|
| 1/2 cup sour cream     | 1/4 tsp. soda                 |
| 1/2 cup shortening     | 1 tsp. baking powder          |
| 1 egg                  | 1/2 tsp. salt                 |
| 1/2 cup walnut pieces  | 1 qt. strawberries            |
| 1 1/2 cup sifted flour | 1 cup whipping cream, whipped |
| 1/4 cup sugar          |                               |

Combine sour cream, shortening and egg; beat until smooth. Add walnuts. Sift dry ingredients together; add to sour cream mixture. Stir just until moistened. Drop by 1/3 cup portions onto greased baking sheet. Bake at 400 degrees for 12 to 15 min. Split short cakes. Spoon strawberries and whipped cream over half the shortcakes; top with remaining shortcake. Garnish with remaining strawberries and whipped cream. Yield: 6 servings.

## Decision On Missiles Hinges On SALT Talks

WASHINGTON (AP) — A final Ford administration decision on producing additional long-range Minuteman III missiles will hinge on the course of U.S.-Soviet nuclear arms limitation talks and Russian weapons growth between now and September.

The Pentagon plans to speed procurement of more powerful new multiple warheads for Minuteman III intercontinental ballistic missiles (ICBM) regardless of whether the negotiating deadlock is broken.

This prospect emerged after the announcement Monday that President Ford is asking Congress for \$322.4 million to start manufacturing the new Mark 12A warhead a year earlier than had been planned and the option of continuing production of the triple-warhead Minuteman III.

The White House announcement came as Ford prepared to leave for Texas to campaign for next Saturday's Republican presidential primary. Ronald Reagan, his opponent, has charged that Ford is letting the United States fall behind Russia in military strength.

Ford's request is a reversal of an earlier tentative decision to shut down the Minuteman production line. However, Defense Secretary Donald Rumsfeld told Congress in January it might be necessary to continue Minuteman production, "depending on the outcome of SALT II negotiations and our continuing assessment of Soviet ICBM programs."

Following the White House announcement, the Pentagon said Ford's action "does not constitute a final decision to continue production" in the budget year starting next October 1. "It does, however, give us the option to continue production if necessary," the Pentagon said.

Rumsfeld expects to review the situation before September, the Pentagon said. No such qualification was stated in connection with plans for speeding production of the Mark 12A warhead, which would have the blast power of about 400,000 tons of TNT, twice that of present Minuteman II warheads.

A total of \$266.1 million would be spent on turning out an additional 60 missiles next

year, if a decision is made to continue Minuteman III production and if Congress approves.

There is no intention to increase the total number of land-based Minuteman missiles beyond the present 1,000 in firing position, the Pentagon said, because the interim SALT agreement now in effect does not permit construction of additional launch silos.

However, there were indications the Pentagon probably would change the "mix," now composed of 550 Minuteman III missiles, each armed with three independently targetable warheads, and 450 Minuteman IIs fitted with single warheads. In that event, the Pentagon likely would increase the number of Minuteman IIs to 600 or 610 and reduce the number of single-warhead Minuteman II missiles.

SAN ANTONIO—Airman Philip Darnell, whose parents are retired USAF Technical Sergeant and Mrs. H. B. Darnell of Rt. 2, Murray, has been selected for technical training in the U.S. Air Force air operations field at Keesler AFB, Miss.

The airman recently completed basic training at Lackland AFB, Tex., where he studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman Darnell, a 1973 graduate of North Marshall High School, Calvert City, attended Murray State University.

Your Individual Horoscope  
Frances Drake

FOR THURSDAY, APRIL 29, 1976

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

**ARIES** (Mar. 21 to Apr. 20)   
Stress your foresightedness in order to prevent witless errors. Don't leap at ideas or suggestions made by those who could mislead through a pleasing manner.

**TAURUS** (Apr. 21 to May 21)   
Follow your hunches now. An idea which may seem a bit "offbeat" when first conceived could prove to be a real inspiration.

**GEMINI** (May 22 to June 21)   
Mercury, in excellent position, puts your native ingenuity and perceptiveness at a peak. A time in which to spread your wings a bit — if time and obligations permit.

**CANCER** (June 22 to July 23)   
Dogged persistence will be day's need; also, the fortitude not to break your stride hesitantly when obstacles, new problems appear. Use that bright mind of yours!

**LEO** (July 24 to Aug. 23)   
Curb a tendency toward lethargy since solar influences promise fine achievement if you're "on the ball." The Leoite is rarely lax, but such inclinations prevail now.

**VIRGO** (Aug. 24 to Sept. 23)   
Your ability to weather "stormy" periods will be of great help now. You may run into some opposition, some unexpected situations, but eventual returns will be worth fighting for.

**LIBRA** (Sept. 24 to Oct. 23)   
Patience and a sense of humor needed now. Do not let minor annoyances get the better of you or you may blow them out of proportion.

**SCORPIO** (Oct. 24 to Nov. 22)   
Fine influences should help you put this day "over the top." Polish up a dormant talent for unique, unexpected use.

**SAGITTARIUS** (Nov. 23 to Dec. 21)   
Uncertainty could offset your best efforts, so be decisive. Marshal all your talents, will power and know-how with a view toward taking brisk steps forward.

**CAPRICORN** (Dec. 22 to Jan. 20)   
Don't slacken your efforts because others are in a frivolous mood. Consider your own interests — especially now when influences stimulate new ideas for improving your status.

**AQUARIUS** (Jan. 21 to Feb. 19)   
Fine stellar aspects encourage your creative interests. Also favored: romance, family concerns and cultural activities.

**PISCES** (Feb. 20 to Mar. 20)   
You may encounter some opposition, but it need not deter your better efforts. Handle it diplomatically — and go on to bigger and better achievement.

**YOU BORN TODAY** are highly sensitive and truly imaginative; have an especial affinity for the arts. You are a true humanitarian and would make an excellent physician, sociologist or educator. You make the most of modern devices and your thinking is truly progressive. You have a great love of beauty, both as applied to nature and the arts; are extremely discriminating in your tastes. A wholesome outlook on life and optimism in the face of obstacles are also notable traits. Fields in which you could excel: writing, journalism, diplomacy, music and painting. Birthdate of: William Randolph Hearst, newspaper magnate; Duke Ellington, pianist, composer.

**Huge Grain Harvest Predicted For 1976**

WASHINGTON (AP) — The Agriculture Department is tentatively projecting a huge 1976 grain harvest that could help slow anticipated increases in the price of food in the coming year and a half.

The Department's Outlook and Situation Board said Friday the 1976 wheat crop could turn out to be some 2 billion bushels, second only to last year's record crop of 2.1 billion bushels and that a record corn crop of nearly 6.4 billion bushels is a possibility.

Bumper grain production last year contributed significantly to a slowdown in retail food prices, department experts say. Last year's record corn crop of 5.8 billion bushels has meant reduced feed costs for livestock producers, triggering a larger production and lower consumer prices for grain-fed beef, pork, poultry and dairy products.

But there is new evidence that retail food prices, after sagging in recent months, are going to start rising again. The main reason is that supermarket beef prices, which figure heavily in family grocery bills, are beginning to climb or will climb in the near future.

Retail food prices dropped during the first three months of this year, mainly because of substantial declines in meat prices. Farmers have borne the brunt of this, receiving lower prices for meat animals, particularly cattle.

But prices of live cattle have rebounded sharply the past month. Wholesale prices have shot up and experts say those increases are bound to be felt at retail meat counters this spring.

According to the Agriculture Department, the price of choice-grade steers, which produce the tenderest cuts, jumped more than 26 per cent from mid-March to mid-April and wholesale beef carcasses rose 22.6 per cent during the same period.

Whether the full increase at that level will be passed on to the consumers is hard to determine, department experts said. Middlemen have had wide price margins between what they pay producers for live cattle and what they charge consumers for beef at retail stores, and part of the gains may be absorbed by them.

But if past history is an indicator, shoppers this month or next will feel at least some effect of the beef price climb.

Government experts say retail food prices will resume their rise after three months of dropping back slightly. But they say the increases will be much smaller than in recent years.

Although not yet willing to predict what might happen to food prices for all of 1976, the Agriculture Department says the gain will be substantially less than the 8.5 per cent rise in 1975. Food prices climbed 14.5 per cent in each of the two previous years, and the department says this year's increase will be the smallest since 1972, when food costs rose about 4.5 per cent.

While predicting the large grain crops, department officials warned "there are no reliable techniques of anticipating" problems that could alter 1976 output. The eventual supply for U.S. buyers will depend on how much world demand is made for U.S. grain. But given the size of crops and exports now projected, there will be large buildups in grain "carry-over" reserves by the time 1977 harvests are ready.

## Science Fair Winners

MIDDLE SCHOOL WINNERS in the science fair are from left to right: Mary Lindsey, Carol Sears, Carolyn Matthews, Leann Bridwell, Natalie Garfield, Susan Shirley, Christine Grogan, Barry Morrison, Phil Resig and Lynn Hargrove.

NORTH SIXTH GRADERS who won prizes in the science fair are left to right: Marlene Beach, teacher; Kevin Hopkins and Phillip Orr, first place; Trisha Clark, second place; and Rita Duncan, third place.

NORTH EIGHTH GRADERS who won prizes in the science fair are from left to right: Ronnie Walker, teacher; James Bibb and Guy Furr, first place; Tim Feltner, second place; and Sharon Boggess, third place.

NORTH SEVENTH GRADERS who won science fair honors are from left to right: Lucille Potts, teacher; Danny Garland and David Garland, first place; Mitzi Newsome and Marcia Cunningham, second place; and Richard Tremblay, third place.

Winners in the elementary level in the Science Fair for the city school system are left to right: Heidi Barrett, Dale Taylor, David Denton, Valerie Curry, Tracy Beyer and Mary Ann Gordon.

## Application Deadline For GI Bill Is In Three Months

The application deadline for women veterans eligible for a special retroactive GI Bill payment is only three months away, the Veterans Administration reminded today.

Women who attended school under the GI Bill between June 1, 1966, and October 24, 1972, may qualify to receive a lump sum of about \$30 per month for each month in training. The payment is to equalize benefits with male veterans who were married while in training.

Women veterans must contact a VA regional office before July 1 and must furnish proof of marriage while in training to be paid the retroactive sum.

Letters with a form on the reverse which should be completed and mailed to a VA regional office before July 1 were mailed by VA to 75,000 women veterans in February. This group attended school under the GI Bill during the specified time period, but the agency does not have the authority to pay without receiving applications from these veterans.

Women who trained after October 24, 1972, have already been paid on the same basis as their male counterparts. The law does not allow the additional amount for husbands to be paid to women who

trained under the World War II and Korean Conflict GI Bills.

Assistance on applications can be obtained from VA offices and from veterans service organizations.

**DRAWINGS EXHIBIT**  
LOS ANGELES (AP) — An exhibit of old master drawings will be presented at the Los Angeles County Museum of Art April 28-June 13.

The 273-item exhibit will "provide a comprehensive survey of the history and development of European master drawings from the 14th to the close of the 18th century."
